PLEA AGREEMENT

The United States of America, by and through Assistant United States Attorney, Mona Lee M. Furst, and, Nicholas C. Depetris the defendant, personally and by and through defendant's counsel, Mark T. Schoenhofer, hereby enter into the following plea agreement

On July 26, 2005 defendant was indicted in the District of Kansas and a warrant for his arrest was issued. Agents with the ATF, WPD SWAT team, Sedgwick County, KS Sheriff's office, and the Kansas Fire Marshall all attempted to arrest the defendant from his residence, now located in Bentley, Kansas. The defendant refused to come out, and negotiators were called to the scene. From approximately 11:30 pm July 27, 2005 agents negotiated, threatened, cajoled to get the defendant to surrender. They were not able to arrest the defendant until tear gas and force was used to evacuate the defendant and four of his friends from the house at approximately 3:30 a.m. July 28, 2005. The town of Bentley was evacuated before this occurred due to the great potential of fire caused by the use of the tear gas.

2. **Factual Basis for the Guilty Plea.** The parties agree the facts constituting the offense to which the defendant is pleading guilty are as follows:

On April 8, 2005 in Wichita, Kansas, the defendant was arrested in his house pursuant to a federal search warrant issued for guns and illegal controlled substances. Methamphetamine was found in the house, along with three firearms, one of which, a Lorcin, had been reported stolen to the Wichita Police Department. The defendant admitted that he sold methamphetamine and that he had received the .38 caliber Smith and Wesson (which he called a Ruger) in trade for selling methamphetamine. An SKS rifle was found in the same bedroom where the methamphetamine was found, and the defendant admitted that gun was for protection due to his selling drugs.
