APPENDIX A - REGISTRANT INDEX A-1

APPENDIX B - SHORT FORM INDEX B-1

The Department of Justice (Department) submits the following report on the administration of the Foreign Agents Registration Act of 1938, as amended, 22 U.S.C. § 611 *et seq.* ("FARA" or "the Act"). Section 11 of the Act (22 U.S.C. § 621) requires the Attorney General to report every six months to the Congress concerning the administration of FARA, as well as the nature, sources, and content of informational materials disseminated and distributed by agents of foreign principals registered under the Act. This report covers the administration and enforcement of FARA for the six months ending June 30, 2019.

FARA is a disclosure statute that requires persons in the United States who are acting as agents of foreign principals, and engaged in certain specified activities within the United States, to register with the Department and to make periodic public disclosure of their relationships with the foreign principals, as well as to disclose activities, receipts, and disbursements in support of those activities. An important purpose served by FARA is to inform the government and the people of the United States of the identity of persons engaging in political activities for or on behalf of foreign governments, foreign political parties, and other foreign principals, so that their statements and activities can be viewed in light of their associations.

The text of this report lists, according to geographical area or nationality, all agents who were registered at any time during the first six months of 2019, or who reported for the first time in that period activities, receipts, or disbursements for the previous period. It includes the identities of the agents and their foreign principal(s), a description of the agent's activities, including a description of any informational materials disseminated, a total figure for monies received, and a listing of all individual agents. This report and information on the activities of foreign agents, can be accessed on the FARA website, which can be reached through the National Security Division ("NSD") website at https://www.justice.gov/nsd/.

Improvements continue to be made to the FARA computerized records system and Internet website, https://www.justice.gov/nsd-fara. In response to the Honest Leadership and Open Government Act of 2007, FARA registrants shall file registration statements and supplements in electronic form. In April 2011, the Department unveiled FARA eFile, a system for the electronic filing of registration statements and supplements. The system enables foreign agents to electronically file documents with the Department. FARA eFile is an intuitive, online filing process that allows registrants to register and pay the required registration fees online, 24 hours a day, seven days a week. Additional information about FARA eFile can be found at https://www.justice.gov/nsd-fara/fara-efile-frequently-asked-questions.

On June 8, 2018, the Department of Justice announced the public release of the advisory opinions issued by the Department of Justice's FARA Unit since January 1, 2010. *See* https://www.justice.gov/nsd-fara/advisory-opinions. Pursuant to regulations that the Department has issued implementing FARA, potential registrants or their counsel may request an advisory opinion regarding the applicability of FARA. *See* 28 C.F.R. § 5.2. The posting of these advisory opinions by the Department provides the public with guidance on how it interprets some of FARA's key provisions. The opinions and letters are organized on the website by topic of inquiry or the aspects of the statute they discuss. Any proprietary information, including any information that would identify the parties who made the requests, has been redacted. With the public posting of advisory opinions, and its continued public release of such opinions, the Department has demonstrated its commitment to improving the public's understanding of FARA.

The Act does not place any limitations on the political advocacy activities of an agent, and the Department's administration of FARA is not designed or intended to inhibit or discourage the expression of political views in any way. Registration under FARA does not

imply recognition by the United States Government of the legitimacy of any particular foreign government or foreign political party. Furthermore, registration does not indicate approval by the United States Government of the activities of registered agents or the content of any informational materials they disseminate.

Statistical Summary

During the six-month period ending June 30, 2019, the Department received 77 new registration statements and terminated 26 registrations. A total of 441 active registrations, representing 721 foreign principals, were on file during the period of January 1, 2019, through June 30, 2019. Individuals acting as officials or employees or rendering assistance to a registrant for or in the interests of its foreign principal filed 529 new short-form registration statements under the Act, bringing the total of short-form registrations to 2,264 during the period of January 1, 2019, through June 30, 2019. There were 157 new agreements with foreign principals reported by agents under the Act, and 92 agreements with foreign principals were terminated during this period.

Pursuant to P.L. 102-395 enacted on October 6, 1992, which authorized the Attorney General to establish fees to recover the cost of administering the FARA, $252,794.00 in fees was received during the six-month period ending June 30, 2019. A total of $10,898,332.30 has been collected since the program was initiated through June 30, 2019.

Sincerely,

Stephen E. Boyd
Assistant Attorney General
Office of Legislative Affairs
