US Department of Justice

Dear US Department of Justice:

Monsanto is ruining peoples lives. Farmers in India killed themselves when they realized they couldn't afford to buy more seed and contractually couldn't use their OWN seeds because Monsanto owned the intellectual property they contained!
http://www.sourcewatch.org/index.php?title=Monsanto_in_India

If a farmer plants Roundup Ready soybeans and they cross pollinate his neighbor, Monsanto can sue the neighbor for copyright infringement. This needs to be stopped!

Sincerely,

SrA Chris Moore
