Subject: Civil Action No. No. 12-CV-00395-RPM-MEH; United States v. SG Interests  
I LTD., et al.; Proposed Final Judgment and Competitive Impact Statement

Dear Mr. Stallings:

I request that the Department of Justice set aside the subject proposed final judgment and revoke the four leases that the Department of Justice determined were obtained in violation of Section 1 of the Sherman Act 15 U.S.C. 1.

The DOJ's judgment is an outrage. Why does the DOJ lean over backwards to accommodate corporate and white-collar crime? Corporations just laugh at the DOJ. Your judgment is a definite win for them. They pay the small fine and move on to their next criminal act.

Sincerely,
