OF THE UNITED STATES

WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

UNICHEM INDUSTRIES, INC.

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU -0564

Decision No. CU

174

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by UNICHEM INDUSTRIES, INC. in the amount of \$2,857.80 based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated,

intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

An officer of the claimant corporation has certified that the claimant was organized in the State of New York and that at all times between October 1947 and presentation of this claim on November 12, 1965, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. Claimant states that all of its stockholders are nationals of the United States. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

The record contains a copy of a letter of March 1, 1960, from The Royal Bank of Canada, to claimant, in which it is stated that the collection of \$248.40 was paid by the consignee Cohen Bros. and the collection of \$210.40 was paid by the consignee Samuel Galfond; a copy of a letter of April 21, 1960, from the Chemical Bank New York Trust Company, to claimant, in which it is stated that the collection of \$370.60 was paid by the consignee Importaciones Camacho S.A.; a copy of a letter of June 30, 1960, from the Chemical Bank New York Trust Company, to claimant, in which an April 21, 1960 notification of payment by the consignee Importaciones Camacho S.A. in the amount of \$518.40 is confirmed; and copies of letters from the Chemical Corn Exchange Bank, to claimant, under dates of March 3 and March 31, 1960, in which it is stated that the

collection of \$412.00 and \$1,098.00, respectively, was paid by the consignee I. Skarbrevik & Co. Each of the above-cited letters state that the payments were made to Cuban branch banks and that such banks were awaiting a dollar reimbursement release from the Exchange Control, a Cuban Government Agency. Claimant states it has not received the funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded transfers of funds, in this and similar cases by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See The Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019.)

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on March 2, 1960 as to \$210.40 and \$248.40; April 22, 1960 as to \$370.60 and \$518.40; March 4, 1960 as to \$412.00; and on April 1, 1960 as to \$1,098.00, the days after the collections were acknowledged by the respective collecting banks.

The Commission has decided that in payment of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be allowed at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of American Cast Iron Pipe Company, FCSC Claim No. CU-0249).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the respective dates on which the loss occurred, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that UNICHEM INDUSTRIES, INC. suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Two Thousand Eight Hundred Fifty-Seven Dollars and Eighty Cents (\$2,857.80) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.
