Claim No. CU-0566

Decision No. CU 553

Under the International Claims Settlement
Act of 1949, as amended

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by ATLAS MANUFACTURING COMPANY, INCORPORATED in the amount of \$1,598.55 based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)]⁷, the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated,

intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

An officer of the claimant corporation has certified that the claimant was organized in the State of Indiana and that at all times between 1933 and presentation of this claim on November 15, 1965, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

Claimant states that all of its stock is held by nationals of the United States.

The record contains copy of claimant's invoice No. 4264 of August 18, 1959 reflecting the sale to Justo Almodovar of Havana, Cuba, of goods totalling \$519.16, and a copy of its invoice No. 4330 of September 18, 1959, reflecting the sale to Accesorios de Omnibus Carlos Mesa, S.A. of Havana, Cuba, of goods totalling \$999.13, as to which forwarding charges and insurance premium increased the total to \$1,079.39.

Additionally, the record includes a copy of an August 12, 1966 letter addressed to claimant by the Morgan Guaranty Trust Company of New York. This letter discusses the contents of the bank's records regarding the two Cuban collections handled for claimant. The letter states that the collecting Cuban bank advised on December 4, 1959 that payment of \$519.16 had been made by Justo Almodovar. Morgan Guaranty's letter also stated

that the collecting Cuban bank had advised, under date of April 21, 1960, that payment had been made by Accesorios de Omnibus Carlos Mesa, S.A.

Claimant states that it has not received the funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter, the Cuban Government effectively precluded transfers of funds, in this and similar cases, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See The Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019.)

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on December 5, 1959 as to \$519.16, and on April 22, 1960 as to \$1,079.39, the days after the collections were acknowledged by the collecting banks.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the dates on which the loss occurred, to the date on which provisions are made for the settlement thereof, as follows:

On \$ 519.16 from December 5, 1959
On \$1, 079.30 from April 22, 1960

CERTIFICATION OF LOSS

The Commission certifies that ATLAS MANUFACTURING COMPANY, INCORPORATED suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Thousand Five Hundred Ninety-Eight Dollars and Fifty-Five Cents (\$1,598.55) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
