

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

FILIURIN DISTRIBUTING CORPORATION

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU - 0619

Decision No. CU **355**

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by FILIURIN DISTRIBUTING CORPORATION in the amount of \$3,098.40 based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are

a charge on property which has been nationalized expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

An officer of the claimant corporation has certified that the claimant was organized in Massachusetts and that all times between February, 1939 and presentation of this claim on December 30, 1965, 100% of the outstanding capital stock of the claimant has been owned by Robert Filiurin, a United States national. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

The record contains copies of claimant's draft applications for collection to the National Shawmut Bank of Boston in the amounts of \$1,020.30 on June 22, 1960 and \$1,819.68 on September 9, 1960, the bank's acknowledgement of said drafts, and the bank's confirmation that said drafts were paid in Cuban currency as of August 9, 1960 by C. Ingelmo Y Hnos and October 14, 1960 by Fernandez Hno and Cia., respectively.

Also in the record are copies of claimant's sales ledger, accounts receivable ledger, and agent's commission book reflecting a sale of April 20, 1960 to Herrero Bulnes and Hnos of Havana, Cuba of goods totalling \$212.50, as to which freight, shipping and other attendant fees increased the total to \$258.42. Claimant states that it has not received the funds,

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded not only transfers of funds to creditors abroad, but also payment to creditors within Cuba, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See the Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019; and the Claim of Etna Pozzolana Corporation, FCSC Claim No. CU-0049).

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on August 10, 1960 as to \$1,020.30, on October 15, 1960 as to \$1,819.68, and April 25, 1960 as to \$258.42.

The Commission has decided that in payment of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be allowed at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the date on which the loss occurred, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that FILIURIN DISTRIBUTING CORPORATION suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount Three Thousand Ninety-Eight Dollars and Forty Cents (\$3,098.40) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.
