

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

RUTH GOTZLER

Claim No. CU -0688

Decision No. CU 3101

Under the International Claims Settlement
Act of 1949, as amended

PROPOSED DECISION

Claimant, RUTH GOTZLER, who owned a participation interest in the Cuban Venezuelan Oil Voting Trust (hereafter referred to as "the Trust"), asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Trust. Claimant has been a national of the United States since her naturalization on July 3, 1956.

In our decision entitled the Claim of Felix Heyman (Claim No. CU-0412 which we incorporate herein by reference), we held that the properties owned or controlled by the Trust were nationalized or otherwise taken by the Government of Cuba on November 23, 1959, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per unit of \$0.11971.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

Claim is presented for an interest in 1,300 units of participation in the Trust. The participation units in question are represented by certificates Nos. NY128018 and NY128019.

On the basis of evidence of record, the Commission finds that claimant acquired the above-numbered certificates by purchase on October 5, 1961 for a consideration of \$110.50.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on November 23, 1959. In similar cases claimants have been unable to obtain information or evidence to establish the nationality of the owners of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimants acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571).

The Commission finds that claimant, upon her purchase of the securities, succeeded to the loss sustained by the assignor of the claimed securities, and concludes that she succeeded to and suffered a loss in the total amount of \$110.50 (the price she paid) as a result of the nationalization of the Trust on November 23, 1959.

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from October 5, 1961, the date on which claimant acquired this claim, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that RUTH GOTZLER suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Hundred Ten Dollars and Fifty Cents (\$110.50) with interest at 6% per annum from October 5, 1961 to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities for the loss here certified.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.

NOTICE: Pursuant to the Regulations of the Commission, if no objections are filed within 15 days after service or receipt of notice of this Proposed Decision, the decision will be entered as the Final Decision of the Commission upon the expiration of 30 days after such service or receipt of notice, unless the Commission otherwise orders.
