

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

ANACONDA WIRE AND CABLE COMPANY

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU-0711

Decision No. CU

829

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by ANACONDA WIRE AND CABLE COMPANY in the amount of \$1,811.68, and is based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba, or by enterprises which have been nationalized,

expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 505(a) of the Act provides:

. . . . A claim under Section 503(a) of this title based upon a debt or other obligation owing by any corporation, association, or other entity organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico shall be considered only when such debt or other obligation is a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issued involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (Supp. 1967).)

This claim is based upon the asserted loss of payment for merchandise shipped to the Havana office of Cia. Cubana de Electricidad. Claimant has submitted copies of invoices reflecting shipment of goods to this consignee. These invoices bear the following notation: "Bill To: Cia. Cubana de Electricidad, 100 Church Street - Room 1822, New York 7, New York."

The records of the Commission reveal that Cia. Cubana de Electricidad is a corporation organized under the laws of the State of Florida. Therefore this claim can be considered only if the claimed debt is a charge upon property which was nationalized, expropriated, intervened, or taken by the Government of Cuba. (See the Claim of The Anaconda American Brass Company, FCSC Claim No. CU-0112);.

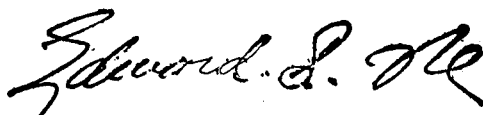

CU-0711

Claimant has neither alleged nor submitted evidence to establish that this debt was a charge upon property which was nationalized, expropriated, intervened, or taken by the Government of Cuba. Therefore, the Commission is without authority to consider this claim, and it is hereby denied.

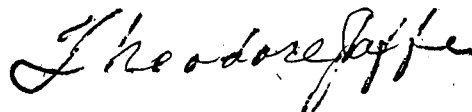

The Commission deems it unnecessary to make determinations with respect to other elements of the claim.
