

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

DONALD L. DAUPLAISE

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU-0796

Decision No. CU 4286

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by DONALD L. DAUPLAISE for \$32,000.00 based upon the asserted ownership and loss of real property in the Isle of Pines, Cuba. Claimant has been a national of the United States since birth.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and

debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Claimant describes his loss as lot 15 of section 40 of Hacienda San Antonio de los Indios, comprising 40 acres of undeveloped land, not on the waterfront.

Based upon the entire record, including a deed and correspondence pertaining to payment of taxes by claimant, the Commission finds that claimant owned the above-described real property.

On December 6, 1961, the Cuban Government published its Law 989 (Official Gazette, XXIII, No. 237, p. 23705) which confiscated all assets, personal property and real estate, rights, shares, stocks, bonds and securities of persons who were not resident in Cuba.

The Commission finds, in the absence of evidence to the contrary, that the subject real property was taken by the Government of Cuba on December 6, 1961 pursuant to the provisions of Law 989. (See Claim of Wallace Tabor and Catherine Tabor, Claim No. CU-0109, 25 FCSC Semian. Rep. 53 [July-Dec. 1966].)

The Act provides in Section 503(a) that in making determinations with respect to the validity and amount of claims and value of properties, rights, or interests taken, the Commission shall take into account the basis of valuation most appropriate to the property and equitable to the claimant, including but not limited to fair market value, book value, going concern value or cost of replacement.

Claimant has not submitted evidence establishing the asserted value of his land, although he has submitted data as to land in British West Indies. The Commission has considered this, and other evidence available to the Commission as to value of land on the Isle of Pines. Based on the entire record, the Commission finds that the reasonable value of the land was \$800.00 per acre, or \$32,000.00. Accordingly, the Commission concludes that claimant suffered a loss in that amount within the meaning of Title V of the Act, as the result of the taking of his property by the Government of Cuba on December 6, 1961.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (see Claim of Lisle Corporation, Claim No. CU-0644), and in the instant case it is so ordered.

CERTIFICATION OF LOSS

The Commission certifies that DONALD L. DAUPLAISE suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Thirty-two Thousand Dollars (\$32,000.00) with interest at 6% per annum from December 6, 1961 to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba,

NOTICE: Pursuant to the Regulations of the Commission, if no objections are filed within 15 days after service or receipt of notice of this Proposed Decision, the decision will be entered as the Final Decision of the Commission upon the expiration of 30 days after such service or receipt of notice, unless the Commission otherwise orders.
