

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

JEAN POTASH

Claim No. **CU** -0997

Decision No. **CU** -1189

Under the International Claims Settlement
Act of 1949, as amended

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by JEAN POTASH, and is based on the asserted loss of her interests in bonds issued by the Cuba Railroad Company. Claimant has been a national of the United States since birth.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government

of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of the evidence of record, the Commission finds that claimant is, and since prior to October 13, 1960, has been the owner of one bond in the original face amount of \$1,000, issued by the Cuba Railroad Company and known as First Mortgage Gold Bond, 4%, due June 30, 1970 issued under a Supplemental Indenture of July 1, 1952, with Guaranty Trust Company of New York as Trustee (formerly First Mortgage, 50 Year Gold Bond issued September 18, 1902, 5%, due July 1, 1952, with the Morton Trust Company of New York as Trustee). The bond in question is No. M 278.

Pursuant to the Supplemental Indenture of July 1, 1952, the bond is over stamped to set forth an outstanding principal balance of \$460, and to provide total annual interest in the amount of 4% of the outstanding principal balance.

The Cuba Railroad Company, incorporated in the State of New Jersey, was wholly owned by Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba), a Cuban corporation. The Cuba Railroad Company thus would not qualify as a national of the United States under Section 502(1) of the Act which defines the term "national of the United States" as including "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The properties of the Cuba Railroad Company were listed as nationalized in Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960.

With regard to the value of the bond on the date of loss, information available to the Commission discloses that no part of the outstanding principal balance was ever paid, and that the last payment of interest was made on January 1, 1959.

The Commission, therefore, finds that the amount of the unpaid indebtedness on claimant's bond on October 13, 1960, the date of loss, was \$492.86 including the principal amount of \$460, and the interest due on the bond in the amount of \$32.86 for the period from January 1, 1959 to October 13, 1960.

The Commission further finds that claimant is, and since prior to October 13, 1960, has been the owner of two bonds, in the original face amount of \$1,000 each, issued by the Cuba Railroad Company and known as "First Lien and Refunding Bond, Series A, 4%, due June 30, 1970" issued under an Indenture of March 10, 1922 and a Supplemental Indenture dated July 1, 1952, with the First National City Bank of New York as Successor Trustee. The bonds in question are numbered TRM 35 and TRM 36.

The Cuba Railroad Company, by Indenture dated March 10, 1922, and Supplemental Indentures dated June 2, 1926 and July 1, 1952, issued Dollar bonds secured by mortgage upon the real property of the Company. By the Supplemental Indenture of July 1, 1952, the bonds were re-issued as 4% bonds, due June 30, 1970. As of 1952, the outstanding principal balance on each \$1,000.00 bond was \$635.00, with interest at 4% per annum to be paid on the principal balance. The record discloses that the last payment of interest on these bonds was made on December 1, 1958.

The Commission finds that the total amount of the unpaid indebtedness on the First Lien and Refunding Bonds of the claimant was \$1,365.12, including the principal amounts of \$635.00 on each bond, and the interest due on each bond from December 1, 1958 through October 13, 1960, in the amount of \$47.56.

The Commission also finds that claimant is, and since prior to October 13, 1960, has been the owner of five bonds in the original face

amount of \$5,000.00 issued by the Cuba Railroad Company and known as "Improvement and Equipment Gold Bond, 4%, due June 30, 1970" issued under an Indenture of July 1, 1910, and Supplemental Indentures dated July 1, 1952 and December 1, 1959, with Chemical Bank New York Trust Company as Successor Trustee. The bonds in question are Nos. M 894, M 1612, M 2021, M 2292 and M 2295.

By Indenture dated July 1, 1910, and Supplemental Indentures dated July 1, 1952 and December 1, 1959, the Cuba Railroad Company issued Dollar bonds secured by mortgage upon the realty and equipment of the Company. By the Supplemental Indenture of July 1, 1952, the bonds were re-issued as 4% bonds, due June 30, 1970. As of 1952, the outstanding principal balance on each \$1,000.00 bond was \$635.00, with interest at 4% per annum to be paid on the principal balance. The record discloses that the last payment of interest on the bonds was made on November 1, 1958.

The Commission finds that the total amount of the unpaid indebtedness on claimant's Improvement and Equipment bonds was \$3,423.40 including the principal amount of \$635.00 and the interest due on each bond from November 1, 1958 to October 13, 1960, the date of loss, in the amount of \$49.68.

The record shows that the properties of Cuba Railroad Company were listed as nationalized by Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960. Claimant's bonds, therefore, represent debts which were a charge on property which has been nationalized by the Government of Cuba as defined in Section 502(3) of the Act (supra).

The Commission concludes that as a result of the nationalization of the properties of the Cuba Railroad Company, claimant suffered a loss in connection with her bonds within the meaning of Title V of the Act. (See the Claim of Joseph Gans, FCSC Claim No. CU-1720; Claim of Albert I. Harris, FCSC Claim No. CU-2398, and Claim of Edgar F. Corliss, FCSC Claim No. CU-0785.)

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act

of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss, to the date on which provisions are made for settlement thereof.

It will be noted that the total amount of loss found herein is in excess of the amount asserted by claimant. However, in determining the amount of loss sustained, the Commission is not bound by any lesser or greater amounts which may be asserted by claimant as the extent thereof.

CERTIFICATION OF LOSS

The Commission certifies that JEAN POTASH suffered a loss, as a result of action of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Five Thousand Two Hundred Eighty-One Dollars and Thirty-Eight Cents (\$5,281.38) with interest thereon at 6% per annum from October 13, 1960 to the date of settlement.
