

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

HARRY WALTER SANDS

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU - 1126

Claim No. CU - 2001

Decision No. CU

1582

PROPOSED DECISION

These claims against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, were presented by HARRY WALTER SANDS, and are based on the asserted loss of his interest in three bonds issued by the Cuba Railroad Company. Claimant has been a national of the United States since his birth.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government

of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of the evidence of record, the Commission finds that claimant is, and since prior to October 13, 1960, has been the owner of three bonds in the original face amount of \$1,000.00 each, issued by the Cuba Railroad Company and known as First Mortgage Gold Bonds, 4%, due June 30, 1970 issued under a Supplemental Indenture of July 1, 1952, with Guaranty Trust Company of New York as Trustee (formerly First Mortgage, 50 Year Gold Bond issued September 18, 1902, 5%, due July 1, 1952, with the Morton Trust Company of New York as Trustee). The bonds in question are Nos. TRM3657 through TRM3659, inclusive, due on and after July 1, 1959.

Pursuant to the Supplemental Indenture of July 1, 1952, each bond is overstamped to set forth an outstanding principal balance of \$460.00, and to provide total annual interest of 4% of the outstanding principal balance.

The Cuba Railroad Company, incorporated in the State of New Jersey, was wholly owned by Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba), a Cuban corporation. The Cuba Railroad Company thus would not qualify as a national of the United States under Section 502(1) of the Act which defines the term "national of the United States" as including "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The record shows that the properties of Cuba Railroad Company were listed as nationalized by Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960. Claimant's bonds, therefore, represent a

debt which was a charge on property which has been nationalized by the Government of Cuba as defined in Section 502(3) of the Act (supra).

The Commission concludes that as a result of the nationalization of the properties of the Cuba Railroad Company, claimant suffered a loss in connection with his bonds within the meaning of Title V of the Act. (See Claim of Joseph Gans, Claim No. CU-1720.)

With regard to the value of the bonds on the date of loss, information available to the Commission discloses that no part of the outstanding principal balance was ever paid, and that the last payment of interest was made on January 1, 1959.

The Commission, therefore, finds that the total amount of the unpaid indebtedness on claimant's bonds on October 13, 1960, the date of loss, was \$1,478.58, including the principal amounts of \$460.00 on each bond, and the interest due on each bond in the amount of \$32.86.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

Accordingly, the Commission concludes that the amount of loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss, to the date on which provisions are made for settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that HARRY WALTER SANDS suffered a loss as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Thousand Four Hundred Seventy-Eight Dollars and Fifty-Eight Cents (\$1,478.58) with interest thereon at 6% per annum from October 13, 1960 to the date of settlement.
