

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

POPPER AND SONS, INC.

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU- 1374

Decision No. CU **112**

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by POPPER AND SONS, INC. in the amount of \$4,611.00 based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 78 Stat. 1110 (1964), 22 U.S.C. §§ 1643-1643k (1964), as amended, 79 Stat. 988 (1965)/, the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The President of the claimant corporation has certified that the claimant was organized in 1937 and that at all times between November 14, 1958 and presentation of this claim on April 10, 1967, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

Claimant states that at the presentation of this claim to the Commission, all of the outstanding capital stock was held by nationals of the United States.

The record contains copy of claimant's invoice No. 2063 EM, dated November 14, 1958 reflecting a sale to Importadora Jorlam, S.A., Calle 1 No. 157, Vedado, Havana, Cuba, of goods totalling \$2,425.00; and copy of his invoice No. 2895 EP, dated December 13, 1958, reflecting another sale to Importadora Jorlam of Havana, Cuba, of goods totalling \$2,186.00.

Additionally, the record includes two letters dated December 1, 1959 and March 25, 1960 from the First National City Bank of New York, to claimant, in which it is stated that the collection of \$4,611.00 was paid by the consignee (Importadore Jorlam, S.A.) to the Cuban Branch of the First National City Bank of New York and that the bank in Havana, Cuba was still awaiting a dollar reimbursement release from the Exchange Control Authorities. Claimant states that it has not received the funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded transfers of funds, in this and similar cases, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred

from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See The Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019.)

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on October 23, 1959 as to \$4,611.00, one day after the collections were acknowledged by the First National City Bank of New York, Havana, Cuba.

The Commission has decided that in payment of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be allowed at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of American Cast Iron Pipe Company, FCSC Claim No. CU-0249).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the dates on which the loss occurred, to the date on which provisions are made for the settlement thereof, as follows:

CERTIFICATION OF LOSS

The Commission certifies that POPPER AND SONS, INC. suffered a loss, as a result of actions of the Government of Cuba, within the scope of

Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Four Thousand Six Hundred Eleven Dollars (\$4,611.00) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.
