

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

TECUMSEH PRODUCTS COMPANY

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU-1862

Decision No. CU
1996

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by TECUMSEH PRODUCTS COMPANY in the amount of \$22,131.80 based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are

a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1)(B) of the Act defines the term "national of the United States" as a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity.

An officer of the claimant corporation has certified that the claimant was organized in the State of Michigan and that all times between January 1, 1959 and presentation of this claim on April 21, 1967, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

Claimant states that 99.5% of its outstanding stockholders were nationals of the United States.

The record contains copies of claimant's invoices and bills of lading in the following amounts reflecting the sale to various consignees in Cuba of merchandise and including freight, shipping and other attendant fees as follows:

<u>Consignee</u>	<u>Invoice Number</u>	<u>Amount</u>	<u>Invoice Date</u>	<u>Date Payment Due</u>
Importadora Segere, S. A.	13735	\$13,805.78	11/13/59	60 days
	13480	854.60	11/2/59	"
Distribuidora Com- ercial Libre De Oriente, S. A.	13849	1,234.99	12/1/59	"
Almacenes Refricentro	14096	4,495.56	12/11/59	"
	14746	2,117.51	2/1/60	"
Francisco A. Perez	131809	1,318.09	12/1/59	"
Compania Industrial Cubana de Goma	13812	55.99	12/1/59	"
Compania Riera Toro and Van Twistern	15736	15.88	5/4/60	"
	13827	267.94	12/1/59	"
	14192	66.62	12/31/59	"
Total		\$24,232.96		

Claimant states that it has not received the above funds. Claimant further states that a credit in the amount of \$2,101.16 was owing Importadora Segere, S. A., which should be set off against the amount owing. Accordingly, the unpaid amount owing on invoice 13735 is reduced by the amount of the above-stated credit.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded not only transfers of funds to creditors abroad, but also payment to creditors within Cuba, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See Claim of The Schwarzenbach Huber Company, Claim No. CU-0019, 25 FCSC Semiann. Rep. 58 [July-Dec. 1966]; and Claim of Etna Pozzolana Corporation, Claim No. CU-0049).

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on the dates that payment for each of the shipments became due.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (See Claim of Lisle Corporation, Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the dates on which the loss occurred, to the date on which provisions are made for the settlement thereof, as follows:

January 1, 1960	\$ 3,731.61
January 10, 1960	4,495.56
January 12, 1960	11,704.62
January 30, 1960	66.62
March 3, 1960	2,117.51
June 3, 1960	<u>15.88</u>
Total	\$22,131.80

CERTIFICATION OF LOSS

The Commission certifies that TECUMSEH PRODUCTS COMPANY suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Twenty-Two Thousand One Hundred Thirty-One Dollars and Eighty Cents (\$22,131.80) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
