

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

THE CHAS. TAYLOR SONS CO.

Claim No. **CU-1884**

Decision No. **CU-695**

Under the International Claims Settlement
Act of 1949, as amended

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by THE CHAS. TAYLOR SONS CO. in the amount of \$217.58 based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property

which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as (B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The record discloses that claimant corporation, organized in Ohio, is solely owned by National Lead Company, organized in New Jersey. An officer of National Lead Company has certified that the number of shares of outstanding National Lead Company stock held by persons who are not nationals of the United States is less than 1% of the total number of outstanding shares. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

The record contains a copy of claimant's invoice No. M-8838 of November 16, 1959, reflecting the prepaid freight charges of \$244.64 for goods sold and shipped to Owens-Illinois Glass Company of Cuba, Havana, Cuba, under claimant's invoice No. M-8427. The terms of that invoice were "net 30 days." The record also contains a copy of claimant's credit memo No. 199 of November 11, 1959, crediting Owens-Illinois of Cuba with \$4.63 and a copy of claimant's credit memo No. 230 of December 21, 1959, crediting the same consignee with \$22.43. Accordingly, claimant asserts a claim for a total of \$217.58. Claimant states that it has not received the funds.

CJ-1884

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded not only transfers of funds to creditors abroad, but also payment to creditors within Cuba, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See the Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019; and the Claim of Etna Pozzolana Corporation, FCSC Claim No. CU-0049).

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on December 16, 1959 as to \$217.58, the date on which payment was due under the terms of the invoice.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

CU-1884

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the date on which the loss occurred, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that THE CHAS. TAYLOR SONS CO. suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement of 1949, as amended, in the amount of Two Hundred Seventeen Dollars and Fifty-Eight Cents (\$217.58) with interest thereon at 6% per annum from the date of loss to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.

NOTICE: Pursuant to the Regulations of the Commission, if no objections are filed within 15 days after service or receipt of notice of this Proposed Decision, the decision will be entered as the Final Decision of the Commission upon the expiration of 30 days after such service or receipt of notice, unless the Commission otherwise orders.
