IN THE MATTER OF THE CLAIM OF

ODETTE MEYERSOHN, ADMINISTRATRIX OF THE ESTATE OF HARRY MEYERSOHN, DECEASED

Claim No.CU-2017

Decision No.CU-851

Under the International Claims Settlement Act of 1949, as amended

Counsel for claimant;

Edwin M. Slote and Max Chopnick

## PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$1,000,000.00 was presented by ODETTE MEYERSOHN, ADMINISTRATRIX OF THE ESTATE OF HARRY MEYERSOHN, DECEASED, and is based upon the asserted loss of leasehold interests and stock interests in Cemento Gibera, S. A. of Cuba. Claimant asserts that decedent, Harry Meyersohn, had been a national of the United States since his birth.

Under Title V of the International Claims Settlement Act of 1949

[78 Stat. 1110 (1964) 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat.

988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims of nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or wore nationals of the United States continuously thereafter until the date of filing with the Commission.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. \$531.6(d) (Supp. 1967).)

Claimant asserts the ownership, by Harry Meyersohn, deceased of certain leasehold interests in land in Cuba and certain stock interests in Cemento Gibera, S. A., of Cuba; however, other than Letters of Administration, claimant has submitted no documentary evidence in support of this claim. By Commission letter of July 10, 1967, counsel were advised as to the type of evidence proper for submission to establish this claim under the Act.

On August 22, 1967, counsel were invited to submit any evidence they might have within 45 days from that date, and they were informed that, absent such evidence it might become necessary to determine the claim on the basis of the present record. Neither counsel has responded to the correspondence of the Commission and no evidence has been submitted in support of this claim.

The Commission finds that claimant has not met the burden of proof, in that she has failed to establish ownership, by the decedent, of rights and interests in property which was nationalized, expropriated or otherwise taken by the Government of Cuba. Accordingly, this claim is hereby denied. The Commission deems it unnecessary to determine other elements of this claim.
