

**FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579**

IN THE MATTER OF THE CLAIM OF

JANE DODGE

Claim No. CU 4797

Decision No. CU 2046

**Under the International Claims Settlement
Act of 1949, as amended**

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by JANE DODGE, and is based upon the asserted ownership and loss of interests in bonds issued by the Cuba Railroad Company. Claimant has been a national of the United States since her birth.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government

of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of evidence of record, the Commission finds that claimant JANE DODGE is, and since prior to October 13, 1960, has been the owner of one bond, in the original face amount of \$500.00, issued by the Cuba Railroad Company, and known as a First Lien and Refunding Bond, Series A, 4%, due June 30, 1970 issued under an Indenture of March 10, 1922 and a Supplemental Indenture dated July 1, 1952, with the First National City Bank of New York as Successor Trustee. The bond in question is numbered TRD 1.

The Cuba Railroad Company, by Indenture dated March 10, 1922, and Supplemental Indentures dated June 2, 1926 and July 1, 1952, issued Dollar bonds secured by mortgage upon the real property of the Company. By the Supplemental Indenture of July 1, 1952, the bonds, were re-issued as 4% bonds, due June 30, 1970. As of 1952, the outstanding principal balance on each \$500.00 bond was \$317.50, with interest at 4% per annum to be paid on the principal balance.

The record discloses that the properties of the Cuba Railroad Company were listed as nationalized by the Government of Cuba on October 13, 1960, pursuant to Cuban Law 890. The record further discloses that the Cuba Railroad Company, incorporated in the State of New Jersey, was wholly-owned by Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba), a Cuban corporation. The Cuba Railroad Company thus would not qualify as a corporate national of the United States under Section 502(1)(B) of the Act which defines the term "National of the United States" as including a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity. Therefore, claimant is entitled to file this claim based upon the loss of her bond, which

represents a debt which was a charge upon nationalized property as defined in Section 502(3) of the Act. (See Claim of Albert I. Harris, Claim No. CU-2398.)

The record further discloses that the last payment of interest on the subject bond was made on December 1, 1958.

The Commission finds that the total amount of the unpaid indebtedness on the bond of the claimant was \$341.28, including the principal amount of \$317.50 on said bond, and the interest due on the bond from December 1, 1958 through October 13, 1960, in the amount of \$23.78.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

Accordingly, the Commission concludes that the amount of loss sustained by the claimant shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss, to the date on which provisions are made for settlement thereof.

CU-4797

CERTIFICATION OF LOSS
