PROPOSED DECISION

Claimant, DONALD L. CHRISTIAN, EXECUTOR OF THE ESTATE OF ROLAND L. CHRISTIAN, DECEASED, who owned a stock interest in Tropical Gas Company, Inc., asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of L. Clyde Carter (Claim No. CU-6363 incorporated herein by reference), the Commission held that the properties owned by the Company were intervened by the Government of Cuba on August 26, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share as \$4.5885.

At the time of intervention, Tropical's preferred shareholders suffered no loss; and the common shares outstanding were 743,118. Subsequent issues not in existence on August 26, 1960 are not compensable (see Carter, supra).

On the basis of evidence of record, the Commission finds that this claimant owned only stock issued subsequent to August 26, 1960, and therefore suffered no loss on August 26, 1960, within the meaning of Title V of the Act.

Accordingly, for the foregoing reasons, this claim is hereby denied.
The Commission finds it unnecessary to make determinations with respect to other elements of this claim.
