PROPOSED DECISION

This claim against the Government of Cuba, filed under Title V of the International Claims Settlement Act of 1949, as amended, was presented by HILDA B. DANIS and is based upon the asserted loss of a stock interest.

Claimant has been a national of the United States since birth.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownership of claims that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (Supp. 1967).)

Claim is based on the asserted loss in connection with ownership of 100 shares of Cia. Azucarera Atlantica del Golfo, acquired subsequent to August 6, 1960, the date of loss pertinent to Atlantica. Claimant submitted a stock certificate issued to her on March 28, 1962, and a copy of a broker's statement of account showing that 100 shares were entered in the account of John Danis on July 12, 1962.

By Commission letter of March 20, 1968, claimant had been advised, through counsel, as to the type of evidence proper for submission to establish this claim under the Act. Thereafter, by letters of June 12, 1968, February 5, 1969 and November 5, 1969, the Commission made additional suggestions to claimant concerning the submission of supporting evidence in this matter.

On February 3, 1970, claimant was invited to submit the suggested evidence within 45 days from that date, and she was informed, that , absent such evidence, it might become necessary to determine the claim on the basis of the existing record. No evidence has since been submitted.

The Commission finds that claimant has not met the burden of proof in that she has failed to establish the date of acquisition and consideration paid for rights and interests in property nationalized, expropriated or otherwise taken by the Government of Cuba as required by Section 507(b) of the Act. Thus, the Commission is constrained to deny this claim and it is hereby denied. The Commission deems it unnecessary to make determinations with respect to other elements of the claim.

Decision of the Commission
