**Claim No. CU - 8123**

**Decision No. CU**

**Under the International Claims Settlement  
Act of 1949, as amended**

**PROPOSED DECISION**

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$410.00 was presented by HERMAN H. CROY and DOLORES T. CROY, and is based on their interests in bonds issued by the Consolidated Railroads of Cuba. Claimants have been nationals of the United States since their respective births in the United States.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property

which has been nationalized, expropriated,  
intervened, or taken by the Government of Cuba.

On the basis of evidence of record, the Commission finds that claimants are and since prior to October 13, 1960, have been the owners of four bonds in the original face amount of 1,300 pesos issued by the Consolidated Railroads of Cuba and known as a 3% Cumulative Income Debenture, due October 1, 2001, issued under an Indenture of February 1, 1953, with the United States Trust Company of New York as Trustee. The bonds in question are Nos. RC93, RC94, RC95 and RM5575.

Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba), was a Cuban corporation. The Consolidated Railroads of Cuba thus would not qualify as a national of the United States under Section 502(1)(B) of the Act which defines the term "national of the United States" as including "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The record shows that Consolidated Railroads of Cuba was nationalized by Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960. Claimants' bonds therefore represented a debt of a nationalized enterprise as defined in Section 502(3) of the Act, (supra).

The Commission concludes that as a result of nationalization of the properties of the Consolidated Railroads of Cuba, claimants suffered a loss in connection with their bonds within the meaning of Title V of the Act. (See the Claim of Edward R. Smith, FCSC Claim No. CU-5001.)

Information available to the Commission establishes that the last payment of interest on the subject debenture was made on April 1, 1959; however, the nationalized enterprise owed, as of that date, a total of 14.3% of the face amount of the debenture issued for prior accumulation of unpaid interest. Claimants, therefore, sustained the loss of the face amount of their bonds, the 14.3% prior accumulation of interest, and

interest at 3% per annum from April 1, 1959 to October 13, 1960, the date upon which the enterprise was nationalized by the Government of Cuba.

As to the dollar value of the bond and interest, expressed in pesos, the Commission finds that the peso was valued at par with the dollar on the date of loss.

The Commission further finds that the amount of the unpaid indebtedness on claimants' bonds on October 13, 1960, the date of loss, was \$1,545.80 including the principal amount of \$1,300.00 and the interest due, to and including October 13, 1960, in the amount of \$245.80.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from date of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of loss sustained by claimants shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss to the date on which provisions are made for settlement thereof.

It will be noted that the total amount of loss found herein is in excess of the amount asserted by claimants. However, in determining the amount of loss sustained, the Commission is not bound by any lesser or greater amounts which may be asserted by claimants as the extent thereof.

CERTIFICATION OF LOSS

The Commission certifies that HERMAN H. CROY and DOLORES T. CROY suffered jointly a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Thousand Five Hundred Forty-Five Dollars and Eighty Cents (\$1,545.80) with interest thereon at 6% per annum from October 13, 1960 to the date of settlement.
