

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

NORMA KLIGMAN
and
DAVID KLIGMAN

Claim No. CU-8643

Decision No. CU 6465

Under the International Claims Settlement
Act of 1949, as amended

Counsel for claimants:

Leon Appel, Esq.

PROPOSED DECISION

Claimants, NORMA KLIGMAN and DAVID KLIGMAN, who owned a stock interest in Guantanamo Sugar Company, assert a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of Henrietta Mae Siegel (Claim No. CU-3478 which we incorporate herein by reference), we held that the properties owned by the Company were nationalized or otherwise taken by the Government of Cuba on August 6, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share of \$49.7856.

On the basis of evidence of record, the Commission finds that claimants jointly acquired 100 shares of Guantanamo stock by purchase on April 24, 1961 for a consideration of \$360.00.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 502(1) of the Act defines the term "national of the United States" to mean "(A) a natural person who is a citizen of the United States, The term does not include aliens."

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on August 6, 1960.

NORMA KLIGMAN has been a national of the United States since birth. Claimant DAVID KLIGMAN became a national of the United States on July 18, 1961. It is clear that between April 24, 1961 and July 18, 1961, his interest in the claim was not owned by a United States national as required by the Act. (See Claim of Sigridur Einarisdottir, Claim No. CU-0728, 25 FCSC Semiann. Rep. 45 [July-Dec. 1966].) Accordingly, so much of the claim as is based on the interest of DAVID KLIGMAN must be and hereby is denied.

With respect to the interest of NORMA KLIGMAN, a United States national on the date of acquisition, April 24, 1961, the Commission has found that in similar cases, claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of Samuel J. Wikler, et al., Claim No. CU-2571, 1968 FCSC Ann. Rep. 47.)

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

The Commission finds that claimant NORMA KLIGMAN, as an assignee by purchase, acquired the claim for the loss sustained by the assignor of the claimed securities, but under the limitations provided in Section 507 of the Act (supra), is limited to \$180.00, her interest in the actual consideration paid for these shares.

The Commission has decided that in certifications of loss on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

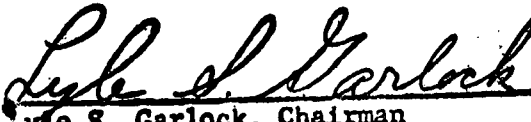

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from April 24, 1961, the date on which claimant acquired her interest in this claim, to the date on which provisions are made for the settlement thereof.

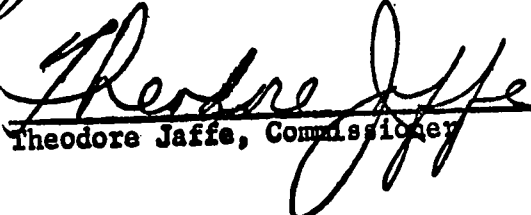

CERTIFICATION OF LOSS

The Commission certifies that NORMA KLIGMAN suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Hundred Eighty Dollars (\$180.00) with interest at 6% per annum from April 24, 1961 to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities or the loss here certified.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
