MEMORANDUM FOR BUREAU ENVIRONMENTAL EXECUTIVES

From: Blane Dessy, Acting Director
Facilities and Administrative
Services Staff
Justice Management Division

Subject: 2009 Energy and Environmental Management Award Winners

I am pleased to inform you of the winners of the Department of Justice Energy and Environmental Management Awards Program (EEMAP) for 2009. This year two projects, both from the Bureau of Prisons, demonstrated exceptional results that have helped further the advancement of Federal environmental stewardship. The two award winners are:

Green Purchasing Category

- United States Penitentiary (USP) Hazelton, Bruceton Mills, West Virginia
Project Title: Green Purchase for Prison Sanitation

Recycling Category

- Federal Correctional Complex (FCC) Victorville, California
Project Title: Going Green in the Desert

The two EEMAP winning nominations listed above have been forwarded for consideration in the White House Closing the Circle (CTC) Awards on behalf of the Department of Justice. Under separate cover, the details of a DOJ awards ceremony in Washington, D.C. will be sent to the Bureau of Prisons. Congratulations to the two EEMAP winners and good luck in the CTC competition. Any questions regarding the awards program can be directed to Dawn Gunning on my staff at (202) 353-0761.
