In the Supreme Court of the United States

No. 09-935

WILLIAM SHORTER, JR., PETITIONER

v.

UNITED STATES OF AMERICA

*ON PETITION FOR A WRIT OF CERTIORARI
TO THE UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT*

MEMORANDUM FOR THE UNITED STATES

Petitioner contends (Pet. 4-22) that the remedial holding of *United States v. Booker*, 543 U.S. 220 (2005), under which the Sentencing Guidelines are advisory, applies to proceedings on his motion for modification of his sentence under 18 U.S.C. 3582(c) in light of the Sentencing Commission's policy statement making Amendment 706 to the Guidelines retroactive. On December 7, 2009, this Court granted certiorari in *Dillon v. United States*, No. 09-6338, to address whether the federal sentencing guidelines are binding when a district court imposes a new sentence pursuant to a revised guidelines range under Section 3582(c). Accordingly, the petition for a writ of certiorari should be held pending the

Court's resolution of *Dillon*, and then disposed of as appropriate in light of the decision in that case.*

Respectfully submitted.

ELENA KAGAN
Solicitor General
