OVW Grants for Outreach and Services to Underserved Populations (CFDA 16.889)

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders and others, OVW grants help provide victims with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to hold offenders accountable for their crimes.

About the OVW Grants for Outreach and Services to Underserved Populations

The Grants for Outreach and Services to Underserved Populations (Underserved Program) was statutorily created in the Violence Against Women Reauthorization Act (VAWA) 2013 to develop and implement outreach strategies targeted at adult or youth victims of domestic violence, dating violence, sexual assault, or stalking in underserved populations, and to provide victim services to meet the needs of such populations.

The Underserved Program responds to the needs of some underserved populations that, prior to VAWA 2013, were included under the Culturally and Linguistically Specific Services Program (CLSSP) and the Sexual Assault Services – Cultural (SAS Cultural) Program. VAWA 2013 narrowed the scope of the CLSSP and SAS Cultural grant programs to focus only on ethnic and racial minorities. As a result, some entities serving underserved populations (i.e., Lesbian, Gay, Bisexual and Transgender (LGBT) victims, the Deaf community, and certain religious/ethnic minorities) that once were eligible to seek funding from these grant programs may no longer do so. To ensure continued support for these populations, Congress authorized the new Underserved Program, which covers any underserved population that meets the definition at 42 U.S.C. 13925(a)(39)¹. For FY 2014, OVW has limited eligibility to those current grant recipients serving populations no longer eligible under the CLSSP and SAS Cultural grant programs.

¹ The statute provides that the term “underserved populations” means “populations who face barriers in accessing and using victim services, and includes populations underserved because of geographic location, religion, sexual orientation, gender identity, underserved racial and ethnic populations, populations underserved because of special needs (such as language barriers, disabilities, alienage status, or age), and any other population determined to be underserved by the Attorney General or by the Secretary of Health and Human Services, as appropriate.

Deadlines

Application

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on May 28, 2014**. Applications submitted after **11:59 p.m. E.T. on May 28, 2014** will not be considered for funding. Applicants experiencing difficulties submitting an application should refer to the Experiencing Unforeseen Technical Issues section on page 11 of this solicitation.

Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission. It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline.

Note: For applicants without Internet access, who cannot submit an application electronically, please contact Amy Loder at Amy.Loder@usdoj.gov no later than **May 1, 2014** to request permission to submit an application by alternative means.

Registration

Applicants must follow the registration process outlined below. **There is no fee associated with the registration process. Additionally, the registration process cannot be expedited.** OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a Data Universal Number System (DUNS) Number, register online with the System for Award Management (SAM) and with **GMS** immediately, but no later than **May 14, 2014**.

Applicants for Federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Dun & Bradstreet (D&B)**. Once you have completed the D&B registration, your DUNS Number should be available the next business day.

In Fiscal Year (FY) 2012, the System for Award Management (SAM) replaced the Central Contractor Registration (CCR) as the government-wide registry for vendors doing business with the federal government. **All applicants must register with SAM and renew their registration annually.** The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic grant applicants.

Applicants must be **registered and current** with the SAM registration and with **GMS** prior to submitting an application. Applicants should begin the process immediately to meet the **GMS** registration deadline, especially if this is the first time using these systems. It is strongly recommended that applicants begin the registration process no later than **May 14, 2014** in order to ensure that the registration process is completed and any difficulties are resolved well in advance of the application deadline. For more information on the process of registering with SAM and the Grants Management System (**GMS**), please see the How To Apply section on page 9.

Letter of Registration

Applicants intending to apply for FY 2014 funding under this program are strongly encouraged to submit a letter of registration. The letter should state that the applying organization is registered and current with the SAM and with GMS. The letter should be submitted to Amy Loder at Amy.Loder@usdoj.gov by **May 14, 2014**. This will ensure that the applicant is well-positioned to successfully submit a proposal by the application deadline. This letter will not obligate the applicant to submit an application. See Appendix B for a sample Letter of Registration.

Pre-Application Information Session

OVW will conduct one web-based Pre-Application Information Session. During this session, OVW staff will review the Underserved Program requirements, review the solicitation, and allow for a brief question and answer session. Participation is optional.

The web-based session is scheduled for:

- May 7, 2014; 2 – 4 p.m. ET

Eligible applicants who are interested in submitting an application to the Underserved Program may register to participate in the web-based session.

To register for the web-based session and to request accommodations (ASL Interpreters, captioning, etc.), please e-mail or call Amy Loder at Amy.Loder@usdoj.gov or (202) 305-2971. In order to meet accommodation requests, registrations must be received by **May 2, 2014**.

Eligibility

It is very important that applicants review this information carefully. Applications that are submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding.

For FY 2014, eligibility will be limited to current CLSSP and SAS Cultural grant recipients and subrecipients that are no longer eligible under these programs and that will require funding to continue their projects past September 30, 2014. Specifically, only current CLSSP and SAS Cultural projects that focus on LGBT survivors, Deaf survivors, and survivors from underserved religious/ethnic backgrounds will be eligible.

Eligible Entities

Eligible entities for this program are:

- Population specific organizations² that have demonstrated experience and expertise in providing population specific services³ in the relevant underserved communities, or

² The term “population specific organization” means a nonprofit, nongovernmental organization that primarily serves members of a specific underserved population and has demonstrated experience and expertise providing targeted services to members of that specific underserved population.

population specific organizations working in partnership with a victim service provider⁴ or domestic violence or sexual assault coalition;

- Victim service providers offering population specific services for a specific underserved population; or
- Victim service providers working in partnership with a national, state, tribal, or local organization that has demonstrated experience and expertise in providing population specific services in the relevant underserved population.

Nonprofit Organization Requirements

An applicant to the Underserved Program must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code. See 42 U.S.C. § 13925(b)(16)(B). Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from the Underserved Program.

Types of Applicants

In FY 2014, OVW will accept applications for the Underserved Program from the following:

Continuation

Continuation applicants are limited to current CLSSP and SAS Cultural grant recipients and subrecipients that (1) administer projects that focus on LGBT survivors, Deaf survivors, and survivors from underserved religious/ethnic backgrounds; (2) are no longer eligible under CLSSP and SAS Cultural; and (3) will require funding to continue their projects past September 30, 2014. Continuation funding is not guaranteed.

Grant recipients and subrecipients that received new or supplemental funding under the CLSSP Program for 24 months in FY 2013 or under the SAS Cultural Program for 36 months in FY 2012 or in FY 2013 are NOT eligible to apply.

Award Information

Applicants that receive an award are bound by statute, federal regulations, the provisions of this solicitation, the OVW Financial Guide, any updates to the Financial Guide, and any conditions of the recipient's award.

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through the Underserved Program becomes no longer available.

³ The term "population specific services" means victim-centered services that address the safety, health, economic, legal, housing, workplace, immigration, confidentiality, or other needs of victims of domestic violence, dating violence, sexual assault, or stalking, and that are designed primarily for and are targeted to a specific underserved population.

⁴ The term "victim service provider" means a nonprofit, nongovernmental or tribal organization or rape crisis center, including a State or tribal coalition, that assists or advocates for domestic violence, dating violence, sexual assault, or stalking victims, including domestic violence shelters, faith-based organizations, and other organizations, with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking.

Award Period

The grant award period is 24 months. Budgets must reflect 24 months of project activity, and the total "estimated funding" (block 15) on the SF-424 must reflect 24 months.

Award Amounts

Applicants should carefully consider the resources needed to implement the proposed project successfully and present a realistic budget that accurately reflects project costs. Awards under the Underserved Program for FY 2014 will be made for up to the applicant's most recent CLSSP award amount or up to two-thirds of the applicant's most recent SAS Cultural award amount. Applicants should consider the level of effort necessary to complete the project and the amount of funds that were expended during the previous 24 or 36-month budget cycle, and not solely the amount that was most recently awarded. OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.

Program Scope

Activities supported by the Underserved Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the OVW Financial Guide, any updates to the Financial Guide, and the conditions of the recipient's award.

Purpose Areas

In FY 2014, funds under the Underserved Program may be used for the following purposes:

- Working with federal, state, tribal, territorial and local governments, agencies, and organizations to develop or enhance population specific services;
- Strengthening the capacity of underserved populations to provide population specific services;
- Strengthening the capacity of traditional victim service providers to provide population specific services; or
- Working in cooperation with an underserved population to develop and implement outreach, education, prevention, and intervention strategies that highlight available resources and the specific issues faced by victims of domestic violence, dating violence, sexual assault, or stalking from underserved populations.

The two purpose areas listed below were, and continue to be, allowable under the CLSSP grant program. However, VAWA 2013 did not include these purpose areas as allowable activities under the Underserved Program. Eligible applicants for the Underserved Program currently engaged in addressing the aforementioned purpose areas must exclude such activities from the proposal.

- Providing culturally specific programs for children exposed to domestic violence, dating violence, sexual assault, and stalking; and
- Examining the dynamics of culture and its impact on victimization and healing.

Activities that Compromise Victim Safety and Recovery

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

- Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;⁵
- Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;
- Procedures or policies that impose requirements on victims in order to receive services (e.g. seek an order of protection, receive counseling, participate in couples counseling or mediation, etc.);
- Procedures or policies that deny victims access to services based on their relationship to the perpetrator;
- Making referrals to child protection services solely for a victim's failure to protect a minor child from witnessing domestic violence except if required under state law;
- Failing to conduct safety planning with victims;
- Developing materials that are not tailored to the dynamics of sexual assault or the specific population to be served; and
- Policies that require the victim to report a sexual assault to law enforcement.

Applications that propose activities that compromise victim safety and recovery may receive a deduction in points during the review process or may be eliminated from further consideration entirely.

Out-of-Scope Activities

OVW has determined the activities listed below to be out of the program scope. Applications that propose out-of-scope activities may receive a point deduction during the review process. Applications that are determined to be substantially outside the scope of the Underserved Program will not be considered for funding. The following activities are out of scope and will not be supported by Underserved Program grant funding:

- Research projects (This does not include program assessments conducted only for internal improvement purposes. See section on Research and Protection of Human Subjects in the FY 2014 Solicitation Companion Guide at <http://www.ovw.usdoj.gov/docs/companion-guide-10-16-12.pdf>.)
- Family Law, Housing Law or Consumer Law. Grant funds may not be used to provide legal representation in civil and criminal matters, such as family law cases (divorce, custody, visitation and child support), housing cases, consumer law cases and others. **Note:** Grant funds may be used to provide legal assistance to victims of sexual assault, domestic violence, dating violence, and stalking in protection order and immigration proceedings related to their victimization such as U visas, VAWA self petitions, cancellations of removal, etc.

⁵ If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section on "VAWA Non-Discrimination Provision" under "Post-Award Requirements" on page 22.

- Family Violence. Grant funds may not be used to directly address child abuse, or other family violence issues such as violence perpetrated by a child against a parent, parent against a child, or violence perpetrated by a sibling against another sibling.
- Children. Services can only be offered to children who are witnesses to or victims of violence if they are provided in conjunction with services to a child's parent or guardian who is a victim of sexual assault, domestic violence, dating violence, or stalking.
- Direct services to sexual assault victims under the age of 11.
- Sexual Assault Forensic Medical Examiner programs.

Unallowable Activities

The following is a list of activities that are unallowable and cannot be supported by Underserved Program grant funding. Applications that propose unallowable activities may receive a point deduction during the review process. Applications that include substantial unallowable activities will not be considered for funding.

- Lobbying
- Fundraising
- Purchase of real property
- Construction
- Physical modifications to buildings, including minor renovations (such as painting or carpeting)

How to Apply

This section describes how an application should be submitted. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their application being removed from consideration. It is the responsibility of the applicant to ensure that the application is submitted by the deadline.

Applicants must follow the registration process outlined below. **There is no fee associated with the registration process. Additionally, the registration process cannot be expedited.** OVW strongly discourages applicants from paying a third party to register on their behalf, or as an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a Data Universal Number System (DUNS) Number, register online with the System for Award Management (SAM) and with GMS immediately, but no later than **May 14, 2014**.

Applicants must be registered and current with the SAM registration and with GMS prior to submitting an application. It is strongly recommended that applicants begin the registration process immediately, but no later than **May 14, 2014** in order to ensure that the registration process is completed and any difficulties are resolved well in advance of the application deadline. **It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline.**

Application Registration Requirements

It is very important that all applicants read this section carefully. Applicants that do not complete all the steps in registering and submitting their application by the due date will not be considered for funding. Applicants are responsible for ensuring their applications are complete at the time of submission. OVW will not contact applicants for missing items.

Each applicant must obtain a Data Universal Numbering System (DUNS) number, be registered in the System for Award Management (SAM) and submit their application online via either Grants.gov or the Grants Management System (GMS) according to the instructions. Applicants are encouraged to submit their applications 48, but no less than 24, hours before the deadline to allow sufficient time to address technical problems. Applicants should ensure that the DUNS number for the application is for an organization that is eligible to apply for the grant program. Also, only the organization that is registered in SAM may use that DUNS number and Grants.gov registration to submit an application.

System for Award Management (SAM)

Applicants for all federal grants are required to register with the System for Award Management (SAM). If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

Step 1: Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.

Step 2: Access the SAM online registration through the SAM home page at <https://www.sam.gov/> and follow the online instructions for new SAM users.

Step 3: Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to Grants.gov and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status. (Applicants formerly used the Central Contractor Registration (CCR) database).**

Grants Management System

Applicants are required to submit applications through the Office of Justice Programs' Grants Management System (GMS) instead of Grants.gov. In order to apply for a grant through GMS, go to <https://grants.ojp.usdoj.gov/> and either sign in using the applicant's current GMS ID and password or register as a new user. Once the applicant has logged into GMS, they should select the program that they intend to apply for and follow the instructions. Training materials are available on the main GMS homepage.

Applicants without Internet Access

Applicants without Internet access, who cannot submit an application electronically, must contact Amy Loder at Amy.Loder@usdoj.gov or (202) 305-2971 no later than **May 1, 2014** to request permission to submit an application by alternative means.

OVW Policy on Duplicate Applications

If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

Experiencing Unforeseen Technical Issues

As previously stated, applicants should begin the **registration process** immediately, but no less than **May 14, 2014**. Furthermore, the applicant should begin the **application submission process** 48, but no less than 24, hours prior to the application deadline. This will allow for sufficient time for the applicant to contact the appropriate individuals and take corrective action, as outlined in this solicitation, should unforeseen technical issues arise. If technical difficulties are experienced at any point during the application process, the applicant must contact **OVW GMS Support at 1-866-655-4482, Monday through Friday, 9:00 a.m. to 5:00 p.m. E.T. or the Grants.gov Customer Support Hotline at 1-800-518-4726, or support@grants.gov, 24 hours a day, 7 days a week, except closed for federal holidays.**

If an applicant experiences unforeseen technical issues that prevent them from submitting an application by the deadline, they must take the following actions:

- contact Amy Loder at Amy.Loder@usdoj.gov or at (202) 305-2971 prior to the application deadline stating that they are experiencing unforeseen technical issues; and
- contact the technical support number above prior to deadline.

Within 24 hours after the deadline, the applicant must again contact Amy Loder at Amy.Loder@usdoj.gov or (202) 305-2971 to request approval to submit the application. At that time, the applicant will be required to email the complete grant application and DUNS number, and provide a GMS Help Desk tracking number(s). After OVW reviews all of the information submitted and verifies the technical issues with the Helpdesk, OVW will contact the applicant to either approve or deny the request to submit a late application. If the technical issues cannot be verified, the application will be rejected as late.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to register or update information on the SAM website; (3) failure to follow GMS or Grants.gov instructions as posted on its website; and (4) failure to follow all of the instructions in the OVW solicitation.

OVW Policy on Late Submissions

OVW offers several options for applicants to provide advance notice to OVW if receipt of their application will be delayed due to a temporary lack of Internet access, other technical difficulties, or geographic isolation. If applicants do not provide advance notice to OVW about an issue that may cause a delay in the submission of the application, then the application will not be considered for funding. If applicants follow the steps outlined above, late submission may be considered. Extension of deadlines is not guaranteed.

Extraordinary Natural or Manmade Disasters

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications up to seven calendar days late by sending an e-mail to the contact listed in the solicitation. The message should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time.

Application Contents

This section describes what is included in a complete application package. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline.

Do not submit documents in addition to those specified in this solicitation. Please note that any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

- Summary of Current and Recent OVW Projects (if applicable)
 - o If the applicant has a current grant award or cooperative agreement under any OVW program, or received an award that has been closed within the last 12 months from the date this solicitation closes, the information below must be included.
 - Identify all grants by OVW program, award number, and project period.
 - Specify the total funding amount for each grant (initial and supplemental amounts, if applicable).
 - Specify the total funds remaining in each grant as of the date of application.
 - Provide the total funds remaining in each budget category (Personnel, Fringe, Travel, Equipment, Supplies, Construction, Contractual, and Other) for each grant.
 - Provide justification for remaining funds.
 - Estimate the amount of grant funds that will be remaining at the end of the current project period.
 - List the number and titles of all full-time and/or part-time positions funded by the award.

Continuation applicants that have a substantial amount of remaining funds at the time of application submission without adequate justification may not be considered for funding in FY 2014.

Project Narrative

The Project Narrative may not exceed 20 pages in length, double-spaced. The Project Narrative comprises the following 3 sections:

Purpose of Application

This section must include:

- Identify the target population for the proposed project;
- Identify the service area where the project will be implemented;
- Identify current services, as they relate to the target population in the service area;
- Identify gaps in services for the target population in the service area; and
- Provide a detailed description of the problem to be addressed.

What Will Be Done

This section must include the information below. In doing so, the applicant must provide a clear link between the proposed activities and the need identified in the “Purpose of Application” section.

- Detail what the current project has accomplished;
- Describe proposed activities;
- Detail how the proposed activities will address the problem as identified in the Purpose of the Application section;
- Describe how the project will impact current or prior efforts to reduce sexual assault, domestic violence, dating violence and/or stalking;
- Detail the goals and objectives for each proposed activity;
- Include a tentative time line for the implementation of the proposed activities; and
- Detail expected outcomes.

Who Will Implement the Project

This section must include the information below. In doing so, the applicant must justify who will be involved in the project and demonstrate that they have the capacity to address the stated need and that they can successfully implement the stated project activities.

- Identify all individuals (including organization and position) involved with the project;
- Describe the roles and responsibilities of each grant-funded staff person in implementing the project tasks and activities;
- Demonstrate the capacity of the grant-funded staff and project partners to successfully implement project activities. In doing so, the applicant must identify the key staff and project partners area(s) of expertise and their experience with implementing the proposed project activities; and
- Describe the resources and skills each organization involved in the project will bring to the project.

Proposal Abstract

The Proposal Abstract should provide a short and accurate summary (no more than 2 pages double-spaced) of the proposed project, including who will be involved with the proposed project,

what will be done as primary activities, what products will be produced, the service area where the proposed project will take place and who will be impacted by the proposed project. Applicants should not summarize past accomplishments in this section.

Budget Detail Worksheet and Narrative

All applicants are required to submit a detailed budget and supporting budget narrative. Budgetary requirements vary slightly among programs, and applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program.

Award Period and Amount

- The grant award period is 24 months. Budgets must reflect 24 months of project activity, and the total “estimated funding” (block 15) on the SF-424 must reflect 24 months.
- Applicants should carefully consider the resources needed to successfully implement the proposed project and present a realistic budget that accurately reflects project costs. Awards under the Underserved Program for FY 2014 will be made for up to the applicant's FY 2012 CLSSP award amount or up to two-thirds of the applicant's FY 2011 SAS Cultural award amount. Applicants should consider the level of effort necessary to complete the project and the amount of funds that were expended during the 24 and 36-month budget cycle, and not solely the amount that was previously awarded.

Budget Requirements

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. Specifically, the budget should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

While OVW discretionary grant programs do not require matching funds, applicants are encouraged to maximize the impact of federal dollars by contributing to the costs of their projects. Supplemental contributions may be cash, in-kind services, or a combination of both. Any non-Federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

A Sample Budget Detail Worksheet is available in **Appendix A**. When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. The budget must adhere to the OVW Financial Grants Management Guide, which can be found at <http://www.ovw.usdoj.gov/docs/ovw-fgmg.pdf>.

- Include a budget narrative that supports and justifies all proposed costs and provides a clear link between specific project activities and proposed budget items.

- Include a budget that reflects all costs related to implementing the proposed project and provides calculations for all costs.
- Include a line item(s) to pay for necessary accommodations. Accommodations may include, but are not limited to, American Sign Language (ASL) Interpreters, printing in alternative formats, or adaptive equipment.
- Include a line item for interpreter services (language interpretation).

Federal Financial Guidelines

Federal grants are governed by the provisions of the OMB circulars applicable to financial assistance and the OVW Financial Grants Management Guide, which can be found at <http://www.ovw.usdoj.gov/docs/ovw-fgmq.pdf>. The Financial Grants Management Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, OMB circulars and guidelines, and the OVW Financial Grants Management Guide. Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals

Generally food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

- The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
- Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
- A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
- Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.

Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of Federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at <http://www.ovw.usdoj.gov/grantees.html>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

- Cost of Logistical Conference Planning

- Cost of Programmatic Conference Planning
- Conference Space and Audio-Visual Equipment and Services
- Prohibition on Trinkets at Conferences
- Entertainment at Conferences
- Food and Beverages at Conferences
- Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
- Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is accessible on the OVW website

<http://www.ovw.usdoj.gov/grantees.html>. For additional information regarding food and beverage regulations, please refer to the OVW Financial Grants Management Guide at <http://www.ovw.usdoj.gov/docs/ovw-fgmq.pdf>.

Training and Technical Assistance

All applicants are required to allocate funds in the amount of **\$10,000** to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate **\$15,000** to account for higher travel costs. These specific applicants may exceed the budget caps to account for this increased travel amount. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the partner(s) must be included in the "Consultants/Contracts" category. Label both costs as "OVW Technical Assistance." Include an estimated breakdown for these costs, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees). This amount should equal the full, required set-aside amount listed above.

Please note these funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Any training and technical assistance funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission.

Program Assessments

Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

Accommodations and Language Access

Applicants are encouraged to allocate grant funds to support activities that help to ensure individuals with disabilities and Deaf individuals and persons with limited English proficiency have meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Applicants proposing to use grant funds to create websites, videos and other materials must ensure that they are accessible to persons with disabilities. Grant funds must be allocated for these purposes.

Memorandum of Understanding (MOU) or Memorandum of Exemption (MOE)

For purposes of this application, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU should be a single document and should be signed and dated by the Authorized Organization Representative (AOR) (see page 19 “Application for Federal Assistance (SF-424)” for the definition of the AOR) of each proposed partner agency during the development of the application. In rare circumstances an MOU can include multiple signature pages as long as each page includes the name and title of each signing party.

The MOU must:

- Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
- Clearly state the roles and responsibilities each partner will assume to ensure the success of the proposed project;
- Demonstrate the capacity of the grant-funded staff and key project partners to successfully implement project activities;
- Describe the resources each partner would contribute to the project, either through time, in-kind contributions, or grant funds;
- Demonstrate a commitment to work together to achieve stated project goals and objectives;
- Specify the extent of each partner’s participation in developing the application; and
- Indicate approval of the proposed project budget by all signing parties.

Additional Required Information

The following documents will not be scored during the review process but they should be included with your submission. Failure to include any of the information may result in the inability to access funds if your application is selected for funding. OVW will be unable to make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Proof of 501(c)(3) Status

As noted under Eligible Entities, an applicant to the Underserved Program must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code. All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status.

Disclosures Related to Executive Compensation

Any applicant that is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure for establishing a rebuttable presumption that its executives' compensation is reasonable, must provide the following: (1) a brief description of the process used for

determining the compensation of its officers, directors, trustees, and key employees, including the independent persons involved in reviewing and approving such compensation (in lieu of a description, an applicant may submit its written compensation policy); (2) the comparability data used in establishing executive compensation; and (3) contemporaneous substantiation of the deliberation and decision regarding executive compensation. This third element can usually be addressed by submitting minutes from board meetings where compensation was considered and approved.

Applicants that want to learn about best practices for establishing compensation for their executives and the IRS's safe-harbor procedures can find more information through the National Council of Nonprofits, <http://www.councilofnonprofits.org/nonprofit-executive-compensation-policy>.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. The acknowledgement form is available on the OVW website at <http://www.ovw.usdoj.gov/docs/conf-acknowledgement.pdf> and must be signed by the authorized representative and uploaded to the application on GMS.

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. In block 7 (Type of Applicant), please do not select "other." Please pay careful attention to the amount of Federal funding requested in box 15 of this form. This amount must match the amount of Federal funding requested in the budget section of the application package. Only include values in box 16 ("Recipient") if the program solicitation requires a match. The individual who is listed in box 18 must be the AOR for the applicant agency. The AOR is an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Please carefully review the assurances and certification forms online. These forms will be completed online at a later time during the application process. All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.

Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the AOR, certifying that Federal funds will not be used to supplant state or local funds should a grant award be made. Please refer to http://www.ovw.usdoj.gov/docs/nonsup_letter.pdf for a sample letter. This should be a separate attachment to the application in GMS.

Financial Accounting Practices

Each applicant must prepare a response to the following questions. OVW will review the applicant's responses to assist in evaluating the adequacy of the organization's financial management system and to identify areas of need for training and technical assistance. This section of your application should be no more than two pages and should be a separate attachment to the online application in GMS.

- Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding?
- Does the applicant have written accounting policies and procedures? OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
- Is the applicants' financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant?
- Does the applicant have procedures in place for minimizing the time elapsing between transfer of funds from the United States Treasury and disbursement for project activities?
- Does the applicant have effective internal controls in place to adequately safeguard grant assets and to ensure that they are used solely for authorized purposes? Please provide a brief description.
- Does the applicant have a documented records retention policy? If so, briefly describe the policy.
- Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations? If not, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the organization is notified of their award to coordinate training.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a Federally-approved indirect cost agreement. Please include a copy of a current, signed Federally-approved indirect cost rate agreement. If an applicant needs additional information on this requirement, they may go to <http://www.ovw.usdoj.gov/docs/ovw-fgmg.pdf>. This should be a separate attachment to the application in GMS.

Applicants that do not have a Federally-approved indirect cost rate should budget all project related costs in the direct cost categories. Organizations that wish to negotiate an indirect cost rate may contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Single Point of Contact Review

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the state has selected this program for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in Block 3 of the Overview section of the GMS application.

Selection Criteria

Applications will be subject to a programmatic review. Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing for scope, activities that compromise victim safety, and past performance. If, during the programmatic review, OVW identifies out of scope activities, activities that compromise victims' safety and recovery, or deficiencies in an applicant's past performance, OVW will consider attaching special conditions to any award that is made or may decline to fund the applicant, in whole or in part. OVW reserves the right to deduct points for applications that propose the following:

- Activities that compromise victim safety and recovery (Up to 10 points.)
- Out-of-scope activities (Up to 10 points)
- Past performance review (Up to 30 points)

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

As a part of the programmatic review process described above, applicants with current or recent (closed within the calendar year) OVW awards and/or cooperative agreements will be reviewed for past performance based on the elements listed below.

- Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives;
- Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas;
- Adherence to all special conditions of existing grant award(s) from OVW;
- Adherence to programmatic and financial reporting requirements, including timely submission of required reports;
- Completion of close-out of prior awards in a timely manner;
- Appropriate utilization and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award;
- Receipt of financial clearances on all current or recent grants from OVW;
- Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit;
- Adherence to the Office of Management and Budget single-audit requirement; and
- Timely expenditure of grant funds.

OVW grantees with significant past performance issues may not be considered for funding.

Compliance with OVW Financial Requirements

Each OVW grantee agrees to follow the financial and administrative requirements in the OVW Financial Grants Management Guide at <http://www.ovw.usdoj.gov/docs/ovw-fgmg.pdf> as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee may be denied continuation funding.

High Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Post-Award Requirements

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2014 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. More guidance on this provision will be forth coming and made available on the OVW website. Additional information on the civil rights obligations of OVW funding recipients can be found in the FY 2014 Solicitation Companion Guide under "Civil Rights Compliance."

Reporting Requirements

All OVW grantees receiving awards are required to submit a semi-annual progress report and quarterly Federal Financial Reports. Appropriate forms will be provided to all applicants selected for an award.

Information for All Federal Award Grantees

Applicants selected for awards must agree to comply with additional legal requirements upon acceptance of an award. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. Additional information for each requirement can be found in the FY 2014 Solicitation Companion Guide at <http://www.ovw.usdoj.gov/docs/companion-guide-10-16-12.pdf>

APPENDIX A

Budget Guidance & Sample Budget Detail Worksheet

Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the OVW Financial Grants Management Guide at <http://www.ovw.usdoj.gov/docs/ovw-fgmg.pdf>.

Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred.

Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with Federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 28 C.F.R. §66.36 (if a State or local government) and 28 C.F.R. §§ 70.40-70.49 (if a nonprofit, or an institution of higher education). All sole-source procurements (those not awarded competitively) in excess of \$100,000 require prior approval from OVW. This applies to procurements of goods and services, but not to compensation for MOU project partners for time spent working on program objectives.

Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 are unallowable. If the applicant agency did not expend \$500,000 or more in federal funds during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current Federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Purchase and/or Lease of Vehicles

The purchase and/or lease of vehicles is prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. If a partner is a State or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Non-Federal contributions

Applicants are encouraged to maximize the impact of federal dollars by contributing to the costs of their projects. Supplemental contributions may be cash, in-kind services, or a combination of both. Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

Please Note: The following budget is an example intended to assist you in preparing your application budget.

A. Personnel – List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator	\$23,500 x 100% x 3 years	\$ 70,500
Investigator	\$45,000 x 100% x 3 years	\$135,000
Administrative Assistant	\$10/hr. x 20 hrs/month x 36 months	\$ 7,200

The Program Coordinator will coordinate the tribe's Tribal Governments Program project by organizing regular coordinating council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Investigator is an investigator with the tribal law enforcement agency. She/he will dedicate 100% of their time to investigating cases of domestic violence, sexual assault, dating violence and stalking that occur on tribal lands.

The Administrative Assistant for the project will be a part-time employee. She/he will be compensated at a rate of \$10/hour. The designated time spent on the project will be 20 hours each month providing administrative and clerical support to the staff of the Victim Services Program.

TOTAL PERSONNEL: **\$ 212,700**

B. Fringe Benefits – Fringe benefits should be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker's Compensation, and Unemployment Compensation.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator

The Project Coordinator will develop and produce a Resource Manual for services both on and off the Reservation for victims of domestic violence, sexual assault, dating violence, and stalking. Copies of the manual will be provided to all units of Tribal government and to victim services and social services agencies in the local community.

Many victims in the more geographically remote areas of the Reservation do not have long distance service, and it is a long distance call for most of them to reach the program office. The project will continue to operate an 800 hotline for victims. It will be staffed by volunteers on a daily basis.

The program has previously developed brochures explaining the dynamics of domestic violence and sexual assault and detailing the services offered by the program. Additional copies of the brochures need to be reproduced. Based on previous distribution patterns, it is anticipated that the program will distribute 1,000 copies of each brochure during the 36 month grant period.

The Victim Services Program rents a safe house that is located off-reservation in the local community. The house is used to provide temporary housing to victims of domestic violence and their minor children who are in need of a safe place to stay after fleeing an abusive situation. The rent is consistent with the fair market rate for similar properties in the local community.

The cost of utilities (i.e., gas, electric, and water service) averages \$200/month. The services are necessary to ensure that the house is suitable for occupancy.

Funds have been budgeted to provide transitional housing assistance to at least one victim of domestic violence, dating violence, sexual assault or stalking each month. Each victim and her dependents will receive up to \$500 to assist with rent and utility payments or security deposits.
