PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by PRINCE MEMORIAL LIBRARY and is based upon the asserted loss sustained in connection with the ownership of common stock interests in Cia. Azucarera Vertientes-Camaguey de Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expro-

Section 502(3) of the Act provides:

The term 'property means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1)(B) of the Act defines the term "national of the United States" as a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity.

Claimant has submitted a copy of its articles of incorporation which establishes that claimant was incorporated on November 7, 1921 in the State of Maine as a charitable corporation, and an officer of the corporation has certified that claimant was organized to erect and maintain a public library for the benefit of the residents of the Town of Cumberland, Maine. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

On the basis of evidence of record, the Commission finds that claimant is, and since prior to August 6, 1960, has been the owner of 150 shares of common stock of Cia. Azucarera Vertientes-Camaguey de Cuba (Vertientes-Camagues Sugar Company of Cuba). The stock in question is represented by certificates No. TJ6089 and TJ03000.

The record discloses that Cia. Azucarera Vertientes-Camaguey de Cuba was listed as nationalized in Resolution No. 1(pursuant to Law 851), published in the Cuban Official Gazette on August 6, 1960. This corporation was organized under the laws of Cuba and does not qualify as a corporate "national of the United States" defined under Section 502(1)(B)

centum or more in natural persons who are citizens of the United States. In this type of situation, it has been held previously that a stockholder in such a corporation is entitled to file a claim based upon the stock in question which represents an ownership interest in the assets of a nationalized enterprise within the purview of Section 502(3) of the Act. (See Claim of Parke, Davis & Company, Claim No. CU-0180.)

In determining the value of the interest owned by claimant in Cia. Azucarera Vertientes-Camaguey de Cuba, the Commission has considered the appraisals by Parajon e Hijo, balance sheets for the years 1957, 1958, 1959 and 1960, the annual reports to stockholders for those years, and other evidence of record submitted by the Company. On the basis of the entire record, the Commission concludes that the dollar loss sustained by Cia. Azucarera Vertientes-Camaguey on August 6, 1960, was \$66,990,148.48, and the loss per share for each of the 1,443,921 shares of common stock was \$46.3946.

Accordingly, in the instant claim, the Commission finds that claimant as holder of shares of common stock of Cia. Azucarera Vertientes-Camaguey de Cuba suffered a loss in the amount of \$6,959.19 within the meaning of Title V of the Act, as a result of the nationalization of Cia. Azucarera Vertientes-Camaguey de Cuba by the Government of Cuba on August 6, 1960. (See Claim of Ruth Anna Haskew, Claim No. CU-0849.)

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

Accordingly, the Commission concludes that the amount of loss sustained shall be increased by interest thereon at the rate of 6% per annum from August 6, 1960, the date of loss, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that PRINCE MEMORIAL LIBRARY suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Six Thousand Nine Hundred Fifty-Nine Dollars and Nineteen Cents (\$6,959.19) with interest at 6% per annum from August 6, 1960 to the date of settlement.
