OVW Grants to Tribal Domestic Violence and Sexual Assault Coalitions (CFDA 16.557)

A. Program Description

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders and others, OVW grants help provide victims with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to hold offenders accountable for their crimes.

About the OVW Grants to Tribal Domestic Violence and Sexual Assault Coalitions Program

This program was first authorized by the Violence Against Women Act of 2000 (VAWA 2000). The VAWA Reauthorization Act of 2013 (VAWA 2013) changed the program from a discretionary program to a formula program for recognized coalitions, with each coalition getting an equal amount of the available funds. VAWA 2013 also increased the amount of funding authorized for the program. The Tribal Domestic Violence and Sexual Assault Coalitions Program, hereinafter referred to as the **Tribal Coalitions Program**, supports the development and operation of nonprofit, nongovernmental tribal domestic violence and sexual assault coalitions.

NOTE: In Fiscal Year 2015, as it has in the prior four fiscal years, OVW has combined the funding and application process for two funding streams into one solicitation: (1) Tribal Domestic Violence and Sexual Assault Coalitions Program (42 U.S.C § 3796gg(d)); and (2) Sexual Assault Services Program (SASP) Grants to Tribal Sexual Assault Coalitions (42 U.S.C. §14043g(d)(3)(A)).

For additional information on the Tribal Coalitions Program including what past Tribal Coalitions Program grantees have accomplished with their grant funds and to view the Tribal Coalitions Program performance measures, see

<http://muskie.usm.maine.edu/vawamei/tribalcoalitionsmain.htm>.

Program Scope

Activities supported by the Tribal Coalitions Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the DOJ Financial Guide, any updates to the DOJ Financial Guide, and the conditions of the recipient's award.

Purpose Areas

In FY 2015, funds under the Tribal Coalitions Program may be used for the following purposes:

1. Increasing awareness of domestic violence and sexual assault against Indian women;
2. Enhancing the response to violence against Indian women at the federal, state, and tribal levels;
3. Identifying and providing technical assistance to coalition membership and tribal communities to enhance access to essential services to Indian women victimized by domestic and sexual violence, including sex trafficking; and
4. Assisting Indian tribes in developing and promoting state, local, and tribal legislation and policies that enhance best practices for responding to violent crimes against Indian women, including the crimes of domestic violence, dating violence, sexual assault, sex trafficking, and stalking.

Sexual Assault Priority Areas

Applicants that are on the list of eligible dual or sexual assault coalitions can receive the additional funding from the SASP Tribal Coalitions Program in the amount of \$17,647 if they propose activities in the following areas:

1. Work with local sexual assault programs and other providers of direct services for sexual assault victims to encourage appropriate responses to sexual assault within the state, territory, or tribe;
2. Work with judicial and law enforcement agencies to encourage appropriate responses to sexual assault cases;
3. Work with courts, child protective services agencies, and children's advocates to develop appropriate responses to child custody and visitation issues when sexual assault has been determined to be a factor;
4. Design and conduct public education campaigns on sexual assault;
5. Plan and monitor the distribution of sexual assault related grants and grant funds to their state, territory, or tribe; or
6. Collaborate with and inform federal, state, or local public officials and agencies to develop and implement policies to reduce or eliminate sexual assault.

Activities that Compromise Victim Safety and Recovery

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;¹
2. Procedures, activities or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;
3. Developing materials that are not tailored to the dynamics of domestic violence or sexual assault, or the specific population to be served;

¹If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section on "Violence Against Women Act Non-Discrimination Provision" under "Federal Award Administration Information."

4. Developing policies that require mandatory reporting of sexual assault and domestic violence to law enforcement; and
5. Proposing information gathering activities (e.g., surveys, focus groups, collecting personal histories, etc.) that do not consider victim confidentiality or privacy, and/or that do not provide adequate safeguards to prevent or address vicarious trauma.

Out-of-Scope Activities

OVW has determined the activities listed below to be out of the program scope. Applications that propose out-of-scope activities may receive a point deduction during the review process. Applications that are determined to be substantially outside the scope of the Tribal Coalitions Program will not be considered for funding. The following activities are out of scope and will not be supported by Tribal Coalitions Program grant funding:

1. Research projects (This does not include program assessments conducted only for internal improvement purposes). See section on Research and Protection of Human Subjects in the [FY 2014 Solicitation Companion Guide](#).

In addition, the Tribal Coalitions Program has the following budget limitations:

1. Applicants may not allocate more than 15% of the funds requested to direct services for victims of domestic violence, dating violence, sexual assault, sex trafficking, and stalking.
2. Applicants may not allocate more than three percent of the funds requested to support project evaluation activities.

B. Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through the Tribal Coalitions Program becomes no longer available. Also, please note that OVW may elect to make awards for applications submitted under this solicitation in future fiscal years, dependent on the merits of the applications and on the availability of appropriations.

Award Period

The grant award period is 12 months. Budgets must reflect 12 months of project activity, and the total "estimated funding" on the SF-424 must reflect 12 months. The award period will start on October 1, 2015.

Award Amounts

Applicants should carefully consider the resources needed to successfully implement the proposed project and present a realistic budget that accurately reflects project costs.

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.

Funding levels under the Tribal Coalitions Program for FY 2015 is as follows:

1. Recognized sexual assault only or dual domestic violence and sexual assault coalitions are eligible for \$276,573, plus an additional \$17,647 from the SASP Tribal Coalitions Program.
2. Recognized domestic violence coalitions are eligible for \$276,573.

For more information on budgets, and things that must be included, please see [Budget Detail Worksheet](#) and [Narrative \(page 29\)](#).

Types of Applicants

In FY 2015, OVW will accept applications for the Tribal Coalitions Program from all coalitions listed as eligible on the below list. Coalition applicants with current awards (awards from 2013, or awards from prior years with 50% or more of the funds remaining) should ensure that the activities in the FY 2015 application are not duplicative of the current award. Coalitions that elect not to receive an award in FY 2015 **will not be removed** from consideration for future years. Applicants may also elect to request less than the eligible award amount.

C. Eligibility Information

Budget Detail Worksheet and Narrative

All applicants are required to submit a detailed budget and supporting budget narrative. Budgetary requirements vary slightly among programs, and applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program.

Award Period and Amount

The grant award period is 12 months. Budgets must reflect 12 months of project activity, and the total "estimated funding" (block 15) on the SF-424 must reflect 12 months.

1. Recognized sexual assault only or dual coalitions are eligible for \$276,573, plus an additional \$17,647 is from the SASP Tribal Coalitions Program; and
2. The budget **must clearly identify** which expenses are allocated to the SASP Tribal Coalitions Program funding. These sexual assault expenses may exceed the \$17,647 amount, **but may not be less than \$17,647.**

Budget Requirements

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

A Sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. The budget must adhere to the DOJ Financial Guide.

Additional Required Information

The following documents will not be scored during the review process but they should be included with your submission. Failure to include any of the information may result in the inability to access funds if your application is selected for funding.

All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status.

This third element can usually be addressed by submitting minutes from board meetings where compensation was considered and approved.

Additionally, the applicant may be required to submit its current year's audit report at a later time. The form is found at [Accounting System and Financial Capability Questionnaire](#).

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a Federally-approved indirect cost agreement. Please include a copy of a current, signed Federally-approved indirect cost rate agreement. This should be a separate attachment to the application in [GMS](#).

Non-federal entities, other than State and local governments and Indian tribes that have never received a Federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. If chosen, this methodology once elected must be used consistently for all Federal awards until such time as a non-federal entity chooses to negotiate for a rate.

Organizations that wish to negotiate an indirect cost rate may contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Dun and Bradstreet Universal Numbering System (DUNS) Number and System for Award Management (SAM)

Applicants for Federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Dun & Bradstreet (D&B)**. Once you have completed the D&B registration, your DUNS Number should be available the next business day.

Federal guidelines require that applicant organizations must (1) be registered in SAM prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to

maintain an active SAM registration with current information at all times during which it has an active Federal award or an application under consideration by a Federal awarding agency. Also, Federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

Registration

There is no fee associated with the registration process. Additionally, the registration process cannot be expedited. OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a Data Universal Number System (DUNS) Number, register online with the System for Award Management (SAM) and with [GMS](#) immediately, but no later than **April 13, 2015**.

Each applicant must obtain a Data Universal Numbering System (DUNS) number, be registered in the System for Award Management (SAM) and submit its application online via the [Grants Management System](#) (GMS) according to the instructions. Applicants are encouraged to submit their applications 48, but no less than 24, hours before the deadline to allow sufficient time to address technical problems. Applicants should ensure that the DUNS number for the application is for an organization that is eligible to apply for the grant program.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. **Organizations must update/renew their registration annually in order to maintain a current registration status.**

If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.
2. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/> and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to [Grants.gov](#) and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.**

Submission Dates and Times

It is very important that all applicants read this section carefully. Applicants that do not complete all the steps in registering and submitting their application by the due date will not be considered for funding. Applicants are responsible for ensuring their applications are complete at the time of submission. OVW will not contact applicants for missing items. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their application being

removed from consideration. It is the responsibility of the applicant to ensure that the application is submitted by the deadline.

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on May 1, 2015**. Applications submitted after **11:59 p.m. E.T. on May 1, 2015** will not be considered for funding. Applicants experiencing difficulties submitting an application should refer to the [Experiencing Unforeseeable Technical Issues](#) section of this solicitation.

Applicants must be registered and current with the SAM registration and with [GMS](#) prior to submitting an application. It is strongly recommended that applicants begin the registration process immediately, but no later than **April 13, 2015** in order to ensure that the registration process is completed and any difficulties are resolved well in advance of the application deadline. **Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission. It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline.**

Note: For applicants without Internet access, who cannot submit an application electronically, please contact **Darla Sims** at Darla.sims@usdoj.gov or **202-514-8818** no later than **April 13, 2015** to request permission to submit an application by alternative means.

OVW Policy on Duplicate Applications

If an applicant submits multiple versions of an application, OVW will review the most recent version submitted prior to the deadline.

Experiencing Unforeseeable Technical Issues

As previously stated, applicants should begin the **registration process** immediately, but no less than **April 13, 2015**. Furthermore, the applicant should begin the **application submission process** 48, but no less than 24, hours prior to the application deadline. This will allow for sufficient time for the applicant to contact the appropriate individuals and take corrective action, as outlined in this solicitation, should unforeseeable technical issues arise. If technical difficulties are experienced at any point during the application process, the applicant must contact **OVW GMS Support at 1-866-655-4482, Monday through Friday, 9:00 a.m. to 5:00 p.m. E.T.**

If an applicant experiences unforeseeable technical issues that prevent submission of an application by the deadline, the applicant must take the following actions:

1. Contact the Darla Sims at darla.sims@usdoj.gov prior to the application deadline stating that they are experiencing unforeseeable technical issues and provide a phone number and/or email address where the applicant can be reached; and
2. Contact the technical support number above prior to the application submission deadline.

Within 24 hours after the deadline, the applicant must again contact Darla Sims at darla.sims@usdoj.gov to request permission to submit the application. At that time, the applicant will be required to email the complete grant application and DUNS number, and provide a [GMS](#) help

desk tracking number(s). After OVW reviews all of the information submitted and verifies the technical issues were unforeseeable with the Help Desk, OVW will contact the applicant to either approve or deny the request to submit a late application. If the technical issues cannot be verified as unforeseeable, the application will be rejected as late.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to register or update information on the SAM website; (3) failure to follow [GMS](#) instructions as posted on its website; and (4) failure to follow all of the instructions in the OVW solicitation.

Extraordinary Natural or Manmade Disasters

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications up to seven calendar days late by sending an e-mail to the contact listed in the solicitation. The request should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time. OVW may request additional documentation from the applicant verifying the extraordinary natural or manmade disaster.

Funding Restrictions

Federal grants are governed by the provisions of the OMB circulars applicable to financial assistance and the DOJ Financial Guide. The DOJ Financial Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including partner grant funded activities, under the grant in accordance with all applicable statutes, regulations, OMB circulars and guidelines, and the DOJ Financial Guide. Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals

Generally food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.

Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of Federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at <http://www.ovw.usdoj.gov/grantees.html>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is accessible on the OVW website <http://www.ovw.usdoj.gov/grantees.html>. For additional information regarding food and beverage regulations, please refer to the DOJ Financial Guide.

Training and Technical Assistance

All applicants are required to allocate funds in the amount of **\$15,000** to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate **\$20,000** to account for higher travel costs. These specific applicants may exceed the budget caps to account for this increased travel amount. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the partner(s) must be included in the "Consultants/Contracts" category. Label both costs as "OVW Technical Assistance." Include an estimated breakdown for these costs, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees). This amount should equal the full, required set-aside amount listed above.

Please note these funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Any training and technical assistance funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission.

Program Assessments

Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For

example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

Victim services

Applicants may not allocate more than 15% of the funds requested to direct services for victims of domestic violence, dating violence, sexual assault, sex trafficking, and stalking.

Accommodations and Language Access

Applicants are encouraged to allocate grant funds to support activities that help to ensure individuals with disabilities and Deaf individuals and persons with limited English proficiency have meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Applicants proposing to use grant funds to create websites, videos and other materials must ensure that they are accessible to persons with disabilities. Grant funds must be allocated for these purposes.

Program Income

Program income is income generated from the Federally-supported activities or earned as a result of the award and requires prior approval from OVW. Program income is not a requirement for this program.

Applicants that anticipate earning program income must include in the budget how the income will be expended. If approved, the program income will be in addition to the award amount and must be used for allowable activities of the program. Recipients that earn program income but did not anticipate earning program income at the time of the award must use the income generated for allowable activities of the program and reduce the award amount (rather than increase funds available for the program).

Unallowable Activities

The following is a list of activities that are unallowable and cannot be supported by Tribal Coalitions Program grant funding. Applications that propose unallowable activities may receive a point deduction during the review process. Applications that include substantial unallowable activities will not be considered for funding.

1. Lobbying (except for assisting Indian tribes in developing and promoting state, local, and tribal legislation and policies that enhance best practices as stated on [page 7](#));
2. Fundraising
3. Purchase of real property
4. Construction
5. Physical modifications to buildings, including minor renovations (such as painting or carpeting)

Other Submission Requirements

As discussed in the "[Submission Dates and Times](#)" section above, applications must be submitted electronically via [GMS](#). Applicants that are unable to submit electronically must follow the instructions contained in the 'Note' in the "[Submission Dates and Times](#)" section above.

Grants Management System

Applicants are required to submit applications through the Office of Justice Programs' [Grants Management System](#) (GMS). In order to apply for a grant through [GMS](#), go to <https://grants.ojp.usdoj.gov/> and either sign in using the applicant's current [GMS](#) ID and password or register as a new user. Once the applicant has logged into [GMS](#), it should select the program that it intends to apply for and follow the instructions. Training materials are available on the main [GMS](#) homepage.

E. Application Review Information

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing for scope, activities that compromise victim safety and, if applicable, past performance.

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

As a part of the programmatic review process described above, applicants with current or recent (closed within the calendar year) OVW awards and/or cooperative agreements will be reviewed for past performance based on the elements listed below.

1. Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives;
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas;
3. Adherence to all special conditions of existing grant award(s) from OVW;
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports;
5. Completion of close-out of prior awards in a timely manner;
6. Appropriate utilization and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award;
7. Receipt of financial clearances on all current or recent grants from OVW;
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit;
9. Adherence to the Office of Management and Budget single-audit requirement; and
10. Timely expenditure of grant funds; and
11. The organization's capacity to successfully implement the project.

OVW grantees with significant past performance issues may not be considered for funding.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors

including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

Compliance with OVW Financial Requirements

Each OVW grantee agrees to follow the financial and administrative requirements in the DOJ Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee may be denied continuation funding.

High Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by September 30, 2015.

F. Federal Award Administration Information

Federal Award Notice

Successful applications will receive OVW award notifications electronically from the [OJP Grants Management System](#). This award notification will be sent to the individuals listed as the Authorized Representation and the Point of Contact in [GMS](#) for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to login; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the authorized representative and the scanning of the fully-executed award document to OVW.

General terms and conditions applied to all OVW grants and cooperative agreements, including [awards made by this program](#), are available at [Standard Special Conditions-Grants](#) and [Standard Special Conditions-Cooperative Agreements](#). Each OVW grant program has additional program specific conditions that are included in the award document immediately following the standard special condition. Some awards will also have project-specific special conditions to ensure compliance with the statutory scope of the Tribal Coalitions Program.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2015 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/ovw/docs/fags-ngc-vawa.pdf>. Additional information on the civil rights obligations of OVW funding recipients can be found in the FY 2015 Solicitation Companion Guide under "Civil Rights Compliance."

Compliance with OVW Financial Requirements

Each OVW grantee agrees to follow the financial and administrative requirements in the DOJ Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee's award may be frozen or terminated and the grantee may be denied continuation funding.

Reporting

Reporting Requirements

All OVW grantees receiving awards are required to submit a semi-annual progress report and quarterly Federal Financial Reports (SF 425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via [GMS](#). Future awards and fund drawdowns may be withheld if forms are delinquent.

Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. We try to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on you to provide us with information. The estimated average time to complete and file this form is 30 hours. If you have comments regarding the accuracy of this estimate, or suggestions for

making this form simpler, you can write to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

APPENDIX A

Budget Guidance & Sample Budget Detail Worksheet

Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the DOJ Financial Guide.

Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 per day for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred.

Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with Federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 2 CFR Part 200.317-326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of subrecipients. MOU project partners are generally considered subrecipients for time spent working on program objectives. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to 2 CFR Part 200.330.

Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities, other than State and local governments and Indian tribes, which have never received a federally-approved indirect cost rate, may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely.

Purchase and/or Lease of Vehicles

The purchase and/or lease of vehicles is prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. If a partner is a State or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Non-Federal contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

Please Note: The following budget is an example intended to assist you in preparing your application budget.

A. Personnel – List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>

The Program Coordinator will coordinate the tribe's Tribal Governments Program project by organizing regular coordinating council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Investigator is an investigator with the tribal law enforcement agency. She/he will dedicate 100% of their time to investigating cases of domestic violence, sexual assault, dating violence and stalking that occur on tribal lands.

The Administrative Assistant for the project will be a part-time employee. She/he will be compensated at a rate of \$10/hour. The designated time spent on the project will be 20 hours each month providing administrative and clerical support to the staff of the Victim Services Program.

TOTAL PERSONNEL: \$ 212,700

B. Fringe Benefits – Fringe benefits should be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker's Compensation, and Unemployment Compensation.
