OF THE UNITED STATES
WASHINGTON 25, D. C.

IN THE MATTER OF THE CLAIM OF

GEORGE ILCISKO
Box 31
Marblehead, Ohio

Claim No. CZ-3,969

Decision No. CZ-170

Under the International Claims Settlement
Act of 1949, as amended

GPO 942329

PROPOSED DECISION

This is a claim against the Government of Czechoslovakia under Section 404, Title IV, of the International Claims Settlement Act of 1949, as amended, by GEORGE ILCISKO, who states he became a national of the United States by naturalization on April 20, 1944.

The claim is based upon certain real and personal property located in Ortutova, Czechoslovakia.

Claimant states, in substance, that the property in question has not been nationalized or otherwise taken, and that his two sons are presently in possession. Claimant further states that the Czechoslovakian authorities have attempted to take the aforesaid property and his sons have resisted such efforts.

Section 404 of the Act provides, inter alia, for the determination by the Commission, in accordance with applicable substantive law, including international law, of the validity and amount of claims by nationals of the United States against the Government of Czechoslovakia

C3-3
C3-7

for losses resulting from the nationalization or other taking on and after January 1, 1945, of property, including any rights or interests therein, owned at the time by nationals of the United States.

Since it has not been established that the property upon which this claim is based was nationalized or otherwise taken by the Government of Czechoslovakia on or after January 1, 1945, the Commission finds that this claim is not compensable under Section 404 of the Act.

In the event it were established that the property in question was nationalized or otherwise taken after August 8, 1958, the claim would be denied for the reasons specified in the attached copy of Proposed Decision No. 55, In the Matter of the Claim of Zuzana Filko, CZ-4, 583.

For the foregoing reasons the claim must be and hereby is denied.

The Commission finds it unnecessary to make determinations with respect to other elements of the claim.
