“I possess enough bombs to blow up the plane, and all of its occupants.”

“We will not spare anybody in the plane, whether young or old if you do not cooperate. We will not leave anyone.”

“I am the leader of this operation.”

***“We do not bargain.
We do not seek a
truce, we do not
negotiate.”***

***“We are suicidal and
capable of blowing
ourselves up at any
moment. We are
carrying bombs on
our bodies.”***

***“I will kill all of them,
and I will not show
mercy toward any of
them...”***

***“I will kill all
including the
children, old people,
the women, young
and old.”***

***“We are merciless
people. We do not
know tolerance.”***

“It was our dream and desire to saturate the land of Palestine with our blood.

That is why we planned to blow the plane over Palestine.

No doubt, this time we failed but one day we will be successful.”

-From Safarini's joint statement made with his fellow hijackers at his trial in Pakistan in 1988
