RE: U.S. v. SARCONA and FORGIONE
(The Lipobban case)

Dear Victims:

As you are aware, both defendant Sarcona and Forgione have been sentenced to significant terms of imprisonment. As was stated in our press release, and as covered by the media and on the web, victims were asked to contact us within 30 days to advise us of claims for restitution.

The United States District Court has set May 14, 2010 as a date for its consideration of all restitution claims.

We are again asking you to contact us, no later than **April 30, 2010**, to advise us of any requests for restitution.

You may contact us through this web page or by writing to me at:
500 S. Australian Avenue, Suite 400, West Palm Beach, FL 33401-6235. I recommend the letter be sent by certified mail.

Again, if there are any questions, you may contact me at: 561 659-4772 x 3043.

Thank you for your attention to this matter.

Sincerely,
JEFFREY H. SLOMAN
