11 Members/Associates of Ummah Charged with Federal Violations

One Subject Fatally Shot During Arrest

United States Attorney Terrence Berg, Eastern District of Michigan, Andrew G. Arena, Special Agent in Charge (SAC), Federal Bureau of Investigation, (FBI), Detroit, Michigan, and Police Chief Warren Evans, Detroit Police Department (DPD), Detroit, Michigan announced a federal complaint was unsealed today charging Luqman Ameen Abdullah, a.k.a. Christopher Thomas, and 10 others with conspiracy to commit several federal crimes, including theft from interstate shipments, mail fraud to obtain the proceeds of arson, illegal possession and sale of firearms, and tampering with motor vehicle identification numbers. The eleven defendants are members of a group that is alleged to have engaged in violent activity over a period of many years, and known to be armed.

In light of the information that the charged individuals were believed to be armed and dangerous, special safeguards were employed by law enforcement to secure the arrests without confrontation. During the arrests today, the suspects were ordered to surrender. At one location, four suspects surrendered and were arrested without incident. Luqman Ameen

Abdullah did not surrender and fired his weapon. An exchange of gun fire followed and Abdullah was killed. An FBI canine was also killed during the exchange.

Abdullah was the leader of part of a group which calls themselves Ummah (“the brotherhood”), a group of mostly African-American converts to Islam, which seeks to establish a separate Sharia-law governed state within the United States. As detailed in the affidavit in support of the criminal complaint that was unsealed today, Abdullah has espoused the use of violence against law enforcement, and has trained members of his group in use of firearms and martial arts in anticipation of some type of action against the government.
