LAW CLERKS - SPRING 2010

The United States Attorney's Office for the District of Minnesota seeks part-time, volunteer law clerks to join us during the spring of 2010 to support the missions of both the Criminal and Civil Divisions of the Office. The Criminal Division of the Office is comprised of three sections: Narcotics, Economic Crimes, and Major Crimes. It is responsible for prosecuting all federal crimes committed in Minnesota, from acts of terrorism to public corruption, white-collar crime, organized crime and gang activities, internet-related crimes, and many other criminal acts. The Civil Division of the Office is charged with defending agencies of the United States, enforcing regulatory agencies' authority, and recovering funds from violators of U.S. criminal, regulatory, and civil laws.

We ask our law clerks for a 12-week commitment, working a minimum of 15 hours per week. Law clerks perform research and writing projects, and assist in appellate work and trial preparation. Clerks will be given assignments in as many different divisions and units as possible, providing exposure to a wide variety of practice areas and a number of AUSAs. Clerks also attend court proceedings as well as monthly brown bag lunches at which AUSAs, the defense bar, the federal judiciary, and federal agents speak. The goal is for law clerks to see the federal legal system at work, develop their legal skills and, above all, enjoy their experience.
