Western District of Missouri

- ☒ (2) The defendant has not rebutted the presumption established by finding 1 that no condition will reasonably assure the defendant's appearance and the safety of the community.

Alternative Findings (B)

- ☒ (1) There is a serious risk that the defendant will not appear.

Part II— Statement of the Reasons for Detention

I find that the testimony and information submitted at the detention hearing establishes by ☒ clear and convincing evidence ☐ a preponderance of the evidence that

1. Defendant faces a mandatory minimum sentence of 15 years and the evidence of guilt appears overwhelming. 2. Defendant allegedly used alias of a female by the named "Sarah McGee" to trick minor males he knew through involvement in the Boy Scouts into sending him pornographic photographs of themselves. Defendant then distributed the photos to others via the Internet. 3. Defendant allegedly attempted to blackmail one of the minor victims into sending him more nude photographs by threatening to send previous photos the victim had sent to defendant to other friends of the victim. 4. Defendant allegedly molested a 13-year-old male when he was 17 years old. 5. Defendant allegedly solicited 14 minor males he knew through Boy Scouts. 5. Mental health history.

Part III—Directions Regarding Detention

The defendant is committed to the custody of the Attorney General or a designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or held in custody pending appeal. The defendant must be afforded a reasonable opportunity to consult privately with defense counsel. On order of United States Court or on request of an attorney for the Government, the person in charge of the corrections facility must deliver the defendant to the United States marshal for a court appearance.
