Featured Presentations & Course Objectives

PLENARY PRESENTATIONS

Dr. Anna Salter – *“Impact of Sexual Abuse on Victims”* **D**
To be announced

Dr. Michael Bourke – *“Safeguarding Those Who Interview”*

1. More fully understand the etiology of secondary stress.
2. Learn to identify symptoms of STS/VT.
3. Learn coping strategies.
4. Be introduced to resiliency practices.

Steve Wigginton & Michael Weilmuenster –
“Institutional Cover Up of Childhood Sexual Abuse”

1. Identifying the facts necessary to prosecute a claim of institutional misconduct involving childhood sexual abuse.
2. Identifying the various theories of liability which may be utilized in holding institutions liable in childhood sexual abuse cases.
3. Identifying ways to overcome statute of limitations defenses in the context of child sexual abuse cases.
4. Identifying investigation methods for obtaining evidence for use at trial.
5. Potential criminal prosecution for the underlying conduct as well as conduct that occurs during the investigation.

Dave Pelzer – *“The Real Heroes”*

1. Pay homage to the countless individuals who are on the front lines in their battle to save the children.
2. To instill a sense of pride and positive expectations of those who have suffered, rather than live out a life of despair and negativity.

Lori Moriarty – *“Identifying Drug Endangered Children: A Collaborative Approach”*

1. Raise awareness regarding the problem of drug endangered children so that professions interacting with these victims recognize the need to facilitate multi-disciplinary, coordinated responses to better meet the needs of these children.
2. Describe the opportunities to identify children living in dangerous drug environments and encourage intervention at the earliest possible point when endangerment is suspected to reduce physical and psychological harm to children.
3. Review multi-disciplinary response that considers the unique and often limited resources within a community and how these resources can be coordinated and applied in a manner that allows the child to receive better care.

Craig Hill – “*Sex Offender Characteristics-Behavioral Traits of the Child Sexual Offender*”

1. The behavior traits of the Preferential Sex Offender.
2. The behavior traits of the Situational Sex Offender.
3. The Time-line of Sex Offender Legislation.

WORKSHOP PRESENTATIONS

LAW ENFORCEMENT TRACK

Wayne Nichols – “*Craigslist Investigation*”

1. Understanding of how Craigslist works & Information retained and provided.
2. What to look for in a Craigslist posting. The good, the bad, and the ambiguous.
3. Tips to making your operation a success. Keeping it simple.
4. Using important tools in your investigation – including Google Voice.

Chris Mateja – “*Cell Phone Investigations*”

1. The student will be able to state the types of evidentiary data available on today’s mobile devices.
2. The student will be able to identify the relevant methods for obtaining electronic data from mobile devices.
3. The student will be able to understand the basic structure of the virtual kiosk system.
4. The student will be able to state the legal authority required to examine the contents of a mobile device.

Al Danna – “*Interviewing the Molester*”

1. Attendees will learn the different psychological approaches to interviewing Situational and Preferential child molesters.
2. Attendees will learn strategies of non-custodial vs. custodial interviews, including where to conduct interviews, recording and documenting interviews and other recent legal updates concerning Miranda Rights.
3. Attendees will learn the stages of denial, minimization, and justification and how to apply these offender stages to a successful confession.

Michael Norris, Eric Mayo, Tom Lanier (Panel Presentation) – “*The Adam Walsh Act*”

1. Identify the mission of the Sex Offender Investigative Coordinator.
2. Identify how the U.S. Marshals can assist local and state agencies with locating NCSO’s.

3. Describe the mission and objectives of Sex Offender Compliance Operations.

PROSECUTOR TRACK

Johnathan Bridbord – “*Obtaining & Protecting Forensic Evidence*”
To Be Announced

Dr. Sharon Cooper – “*The Compliant Victim*”
To Be Announced

Debbie Andrews, Lynn Ayers – “*Preparing Children for Court*”

1. Attendees will learn the stages of denial, minimization, and justification and how to apply these offender stages to a successful confession.
2. To review the Court School curriculum developed for preparing child victim/witnesses to testify in criminal court.
3. To discuss accommodations that can and should be made for the unique needs of the child victim/witness.

Justin Fitzsimmons – “*Cross Examination Techniques*”

1. Gain an understanding of the three stages of preparing an effective cross-examination.
2. Learn valuable resources to gather information about defense experts.
3. Understand the different areas where a cross-examination may be effective.
4. Developing an effective cross-examination in technology-facilitated child sexual exploitation cases.

VICTIM ADVOCACY TRACK

Dan Powers – “*The Non-Offending Parent*”

1. Develop a framework for empathy for non-offending parents.
2. Gain an understanding of the dynamics and types of non-offending parent.
3. Have a consistent approach in dealing with non-offending parents.

Jill Mollie – “*Dealing With the Unspeakable Everyday*”

1. How the brain learns to self-regulate: practice skills that focus on finding solutions, not on placing blame.
2. How to move past your own “triggers” or hot buttons.

3. Identify the three basic principles of Brain Smart Management using the Conscious Discipline Approach.

Karen Vadino – *“All Stressed Out & No One to Choke”*

1. To increase awareness of stressors in our lives.
2. To realize the significance of our attitude on our stress level.
3. To become aware of our own stress levels.
4. To become familiar with effective methods of stress management.
5. To prepare a plan for personal stress management.

Dorothy Halley – *“Trauma Informed Care”*

1. To explore the short-term and long-term impact of grief, trauma, and loss that victims commonly experience.
2. To identify the trauma stages and characteristics of each stage.
3. To examine coping mechanisms commonly used.
4. To explore the implications for effective practice, for both criminal justice and advocacy response.

TREATMENT/PREVENTION TRACK

Dr. Michael Bourke – *“Sexual Offending”*

1. Provide overview of research on sexual offending.
2. Dispel myths related to sexual offending.
3. Describe behavioral and psychological characteristics of sexual offenders.
