Identification Procedures - Debtors should provide copies of their photo identification and proof of Social Security number to the presiding trustee prior to the start of the section 341 meeting. Copies may be provided through debtor's counsel or directly to the presiding trustee if unrepresented. If such proof has not been provided, the 341 meeting will be continued until the trustee has received proof of identification.

Preparation for the Call:

- Use a landline to avoid interruptions and background noise. Avoid using a cell phone, if possible.
- Each call will have multiple cases; after connecting to the call please place your phone on mute and wait until your case is called before speaking.
- When your case is called, please speak clearly and loudly as the meeting is being recorded.
- Debtors should be prepared and have copies of documents on which they can reasonably expect to be examined (petition, schedules, statement of financial affairs, tax returns, etc.) or any documents the trustee has indicated in advance that debtors should have available for questioning.
