Email sent by Tallahassee, Florida Office of United States Trustee Bankruptcy Paralegal to Northern District of Florida Chapter 7 Bankruptcy Trustees on August 30, 2018 with subject line title: TDR: Modification to the Submission Procedures for the NDFL

EFFECTIVE IMMEDIATELY in cases where the professional fees are over \$1,000, resulting in a Notice of Hearing being filed instead of an NFR, please provide the TDR Reviewer a **hard copy of the Notice of Final Dividends ("COD") with the docket number displayed on top to support the COD was filed with the Court.**

brought this issue up with _____, TFR/TDR Supervisor, and was advised the submission of the **Notice of Final Dividends** would be sufficient where there was no NFR filed, because of a Notice of Hearing being filed. You might want to also submit all (if any) hard copy supplemental CODs with the docket number displayed on top.

If you have any questions, please feel free to contact your TDR Reviewer,
