

# NOTICE REGARDING VERIFICATION OF SOCIAL SECURITY NUMBERS

Section 521(h) of the Bankruptcy Code requires debtors to provide to the trustee assigned to their case, proof verifying the accuracy of the social security number disclosed in the bankruptcy case. The United States Trustee is charged with establishing which documents can be produced that satisfies this requirement.

Effective immediately, only the following documents may be used as proof to verify the debtor's social security number:

1. Social Security Card (original only, no copy permitted)
2. Medical Insurance Card (original only, no copy permitted)
3. Social Security Administration Statement (original only, no copy permitted), must contain complete unredacted social security number
4. I.R.S. Form W-2 (Wage and Tax Statement) (copy accepted at discretion of case trustee)
5. I.R.S. Form 1099 (copy accepted at discretion of case trustee)
6. Recent Pay Stub (copy accepted at discretion of case trustee)
