[1] In FY 2017, the methodology used to prepare this report changed and the title of the report also was changed to more accurately reflect the report contents. The FY 2017 report shows costs for all goods and services that were ordered during the year, regardless of their delivery or payment status at the end of the year. Previously, the FY 2016 report was titled, "Total Expenses Paid from the Assets Forfeiture Fund by Category of Expense and Recipient Agency, " and it only showed obligated expenses for goods and services actually delivered during the year.

[2] Obligations that occurred during FY 2017 that are not identified by agency or expense category.
