[1] The information in this report, for non-cash assets, is formatted in accordance with current Financial Statement presentation.

[2] Variances may result from differences between the value of the property when seized and the value of the property when disposed.

[3] The statistics previously reported in the CAFRA Method of Disposition Reports for FY 2015 through FY 2022 for the category of "Firearms" has now been revised to include not only all administrative and judicial forfeiture actions against firearms (which were previously reported) but also other related administrative and judicial forfeitures against illegal firearm components, ammunition, and explosives. Inclusion of all such forfeitures provides a more accurate and complete picture of the law enforcement efforts by member agencies of the Department of Justice Asset Forfeiture Program during those Fiscal Years.
