Orlando, Florida - Yesterday LINDA ANN BORDEN, a 47 year old resident of Celebration, was sentenced to 74 months' imprisonment for filing false tax returns and preparing false tax returns. BORDEN is also required to pay costs of prosecution of \$3725.12.

According to court documents, BORDEN ran a tax preparation business which caused filings of numerous false business deductions for personal living expenses. BORDEN was convicted after a jury trial on March 26, 2007, of 27 counts of filing false tax returns.

The case was investigated by the Internal Revenue Service and was prosecuted by Assistant United States Attorney Bruce Hinshelwood.
