FOR IMMEDIATE RELEASE  
January 16, 2009

**WISCONSIN MAN ARRESTED FOR THREATENING  
TO ASSASSINATE PRESIDENT-ELECT OBAMA**

Jackson, Miss - STEVEN JOSEPH CHRISTOPHER was arrested by agents of the United States Secret Service today for making threats against President-Elect Barack Obama, U.S. Attorney Dunn Lampton announced today. Christopher, who is from Wisconsin, was arrested in Brookhaven, Mississippi. Christopher made threats against President-Elect Barack Obama on an internet chat forum on January 11, 15 and 16, 2009.

According to an Affidavit filed by Special Agent Kelly Adcox with the United States Secret Service, Christopher posted the following on the website [www.alien-earth.org](http://www.alien-earth.org) on January 11, 2009:

**ok we have 6 days until my Presidential Assassination.**

Yes, I have decided I will assassinate Barack Obama. It's really nothing personal about the man. He speaks well, has a loving although controlling wife and two cute daughters. But I know it's for the country's own good that I do this. And I'm not racist either, my family is a little, but isn't all Italian and european families? I mean how many times have you heard the word (racial slur) in the comforts of your home? I have a lot, and it really bothered me and I would confront them about it. No, it's not because I'm racist that I will kill Barack, it's because I can no longer allow the Jewish parasites to bully their way into making the American people submit to their evil ways. How many of you Obama supporters are now disappointed after some of his arm-twisted Jewish appointee decisions??? Make's you think he's not really in charge(which he isn't). No it's the same old, same old filthy (expletive) kikes who are poisoning America, who have murdered thousands of innocent lives on 9-11-01, and are thinking that they are going to get away with it again.

Barack, I view more as a sacrificial lamb, but the sacrifice **MUST** take place. He had good intentions, but like the Steve Taylor song goes, "a

politician next door, swore, he'd set the Washington arena on fire, thinks he'll gladiate them, but they're gonna make him a liar."

So, I'm stuck here in Mississippi, and I'll need bus fare or some way of getting to Washington. I don't own a gun, so maybe someone can give me one. And I'll need a leak in the secret service to get a close up shot, somewhere close to the podium, since I've never fired a gun, so I need to get an easy shot off. Wattdysay fellas? Any help?

You all know we can't live with the jewscum anylonger, dont cha? You got a better solution? I'm all ears.

Stevie

Also, according to the Affidavit, on January 15, 2009, Christopher posted the following:

**RE: ok we have 6 days until my Presidential Assassination.**

Why is your heart so wicked?

I can get away with actually murdering Barack Obama OR just threatening to do it.  
hth

The Affidavit also sets forth the following post which was entered today, January 16, 2009:

**To those who still think I'm a nobody, who antagonize me, who seek for my capture and arrest.....**

I will have you found, arrested and executed, if you push me too far.

Christopher was arrested without incident by agents of the U.S. Secret Service and members of the Lincoln County, Mississippi Sheriff's Department and agents of the Mississippi Bureau of Investigation pursuant to a criminal complaint charging Christopher with a violation of Title 18, United States Code, Section 871 which makes it a crime for anyone to threaten to kill the President-Elect of the United States. The maximum penalty for this offense is 5 years in prison and a \$250,000 fine.

U.S. Attorney Lampton said, "Threats against the President-Elect will be taken very seriously. Use of internet chat rooms to express those threats is as much a crime as uttering the words. Threats of this nature will be pursued swiftly and vigorously."

Lampton praised the efforts of local law enforcement for their assistance in this matter, particularly the Sheriff of Lincoln County, Steve Rushing, and his deputies, along with the agents from the Mississippi Bureau of Investigations.
