Hon. Joseph A. Dickson

Mag No. 11-6503

CRIMINAL COMPLAINT

I, the undersigned complainant, being duly sworn, state that the following is true and correct to the best of my knowledge and belief. On or about July 12, 2010, in Union County, in the District of New Jersey and elsewhere, defendant Mustafa Harris, a/k/a "Moose," did:

knowingly and intentionally distribute and possess with intent to distribute 28 grams or more of a mixture or substance which contained cocaine base, that is "crack" cocaine, a Schedule II controlled substance.

In violation of Title 21, United States Code, Sections 841(a) & (b)(1)(B), and Title 18, United States Code, Section 2.

I further state that I am a Special Agent with the Federal Bureau of Investigation, and that this complaint is based on the following facts:

Sandra Sanchez, Special Agent
Federal Bureau of Investigation

Sworn to before me and subscribed in my presence,
January __, 2011, at Newark, New Jersey

HONORABLE JOSEPH A. DICKSON
UNITED STATES MAGISTRATE JUDGE

Signature of Judicial Officer

Attachment A

I, Sandra Sanchez, am a Special Agent with the Federal Bureau of Investigation. I have knowledge of the following facts based upon my investigation, review of reports and discussions with other law enforcement personnel and others. All statements herein are set forth in substance and in part:

1. On or about July 12, 2010, a confidential informant ("CI"), with a proven record of reliability and credibility, acting under the direction and supervision of law enforcement, telephoned defendant MUSTAFA HARRIS, a/k/a "Moose," to purchase a quantity of crack cocaine. The telephone call was consensually monitored by law enforcement.

2. On or about that same day, defendant MUSTAFA HARRIS, a/k/a "Moose," met with the CI at a prearranged location in Plainfield, New Jersey. At that location, the CI handed defendant HARRIS approximately \$3,000.00, and defendant HARRIS, in turn, handed the CI a clear, plastic baggie containing a white rock-like substance. This transaction was consensually video and audio-recorded.

3. The white-rock like substance field-tested positive for the presence of cocaine and weighed approximately 81.2 grams. Subsequent laboratory tests indicate that the white-rock like substance contained a net weight of 53.4 grams of cocaine base.
