#### January 4, 2007, Sale of 60 Grams of Crack Cocaine

1. On or about January 4, 2007, a cooperating witness ("CW") met with defendant MICHAEL STRADFORD, a/k/a "Muff," and two separately charged co-conspirators (hereinafter "CC-2" and "CC-7") at defendant MICHAEL STRADFORD's residence located in the Fairview Homes housing complex in Newark, New Jersey in order to purchase a previously negotiated quantity of crack cocaine. Once inside defendant STRADFORD's residence, the CW handed CC-7 approximately \$1,600 in cash and defendant STRADFORD handed the CW a quantity of crack cocaine. The CW stated that the amount of crack cocaine appeared to be less than the previously negotiated 60 grams but was reassured by CC-7 that it was in fact 60 grams.
2. The CW provided the purchased crack cocaine to members of the DEA immediately after the purchase. Members of the DEA weighed it and found that there was approximately 33 grams. At the direction of the DEA, the CW called CC-7 who directed the CW to defendant STRADFORD's residence to retrieve the balance of the crack cocaine. The CW proceeded to defendant STRADFORD's residence where he met with defendant STRADFORD who then handed the CW another 30 grams of crack cocaine. The CW provided the purchased crack cocaine to members of the DEA immediately after the purchase. A laboratory test confirmed the presence of cocaine base in both purchases and a combined net weight of approximately 59.7 grams
