At the time the search warrant was conducted, 4. Steven Layne was present at the residence. A Region II Narcotics Agents advised Layne of his Miranda rights at which time Layne stated that he understood his rights and voluntarily agreed to speak with agents. After finding a significant amount of a substance believed to be methamphetamine, Agents asked Layne if he was involved in the trafficking of illegal narcotics. Layne advised that he was involved in the sale and purchase of methamphetamine. Layne added that he recently met a Mexican National (first and last name unknown) that gave him an ounce of methamphetamine for Layne's vehicle. Layne added that the unknown Mexican has continued to supply him with methamphetamine and recently "fronted" him approximately a pound and a half of methamphetamine. Layne was then asked by Agents if he was a convicted felon. Layne said that he was convicted in 1982 of trafficking illegal narcotics. Layne was then asked if the weapons found within his residence belonged to him. Layne responded by advising that the multiple firearms did belong to him.
