FOURTH V-NOT GANG MEMBER PLEADS GUILTY TO RICO CONSPIRACY

RICHARD S. HARTUNIAN, United States Attorney, Northern District of New York, announces that **RIADDA TRAVET**, **age 23**, of Syracuse, pled guilty this morning in U.S. District Court in Syracuse to an indictment which charged her and ten others with conspiring to exploit their membership in the V-NOT Gang to engage in a pattern of racketeering activity which included acts of murder, drug trafficking, and robbery. **TRAVET** is the fourth defendant to plead guilty in this case. The case against seven co-defendants remains pending.¹

At sentencing, **TRAVET** faces up to life imprisonment, a \$250,000 fine, and three years of supervised release following any period of incarceration.

The Indictment to which **TRAVET** pled alleges that from at least 2003 through May 2012 members of the V-Not Gang: (1) maintained a specific geographic territory within the City of Syracuse in which only gang members can sell crack cocaine and marijuana; (2) protected that exclusive crack distribution territory with violence; (3) obtained drugs from various suppliers; (4) projected a very violent attitude and responded to violence with violence in order to preserve their stature in the gang community; (5) used graffiti, hand signs, and tributes on their clothing to slain gang members to signify their gang membership; (6) used criteria such as a willingness to use violence, ability to sell drugs, and familial connections to determine membership; and (7) routinely carried and used firearms in connection with their gang activity.

There are multiple acts of violence and drug distribution set forth in the Indictment, including 1 murder, 10 other shootings, 8 other acts of gun possession, and 18 acts of crack distribution and/or possession with intent to distribute crack. With respect to the murder, the Indictment includes allegations that on November 26, 2010, gang member Kahari Smith shot and killed Kihary Blue on Interstate 81 in downtown Syracuse as part of an ongoing feud between the V-Not and Bricktown gangs. As part of her plea, **TRAVET**, admitted her involvement in many overt acts alleged in the Indictment, including the following: #3 (possessing a loaded .357 revolver), #14 (participating in an assault and theft of a .50 caliber handgun along with co-defendants Habakukk Nickens and Christopher Mike), #16 (participation in a shooting along with co-defendant Habakukk Nickens), #17 (engaging in witness tampering in connection with

the shooting described in Overt Act #16), and #19 (present with co-defendants Kahari Smith and Jeffrey Powell when Powell shot an Elk Block Gang member).
