

1961

Titles 1, 2, 4, 11 (INDEX)

U. S. ATTORNEYS MANUAL 1961

DISCLAIM

The 1961 edition only has Titles 1, 2, 4 and 11.

Due to poor quality of the print original, there are some problems: some tables and forms could not be tagged, some pages are missing, etc.

In addition, there are two Title 11(Indexes): one is dated as 1963 and the other is marked as 1965 in the print original. Both indexes are scanned. But only the 1965 index is assembled in the e-book version. The 1963 index is available on DVD. If you need it, please contact the Reference Desk of DOJ Libraries.
