Hello Commissioners and Hearing Panelists:

We are looking forward to continuing our teleconference panels related to Social Problems Impacting Public Safety. Today we will hear from our federal partners and the types of programming their agencies have available to address the topics of social problems – mental illness, substance use, and homelessness. We hope you all will be able to make the effort to join this call in spite of all the various responsibilities you are juggling at this moment.

Included in the invite is the call-in information, and attached please find a schedule and overview of the three panels for the week, bios for the panelists, and any documents they have provided. We ask you to join at least 5 minutes early to assure you can participate and clearly hear on the call.

We look forward to hearing from you soon,

Phil Keith, Chair

President's Commission on Law Enforcement and the Administration of Justice
