---

Hello Commissioners:

Thank you again your time, effort, and engagement in conducting the work of the Commission. Yesterday's panel was another success, in terms of the compelling testimony provided on lawful access, the dark web, and the use of illicit and contraband technology in jails and prisons. About 130 Commissioners, working group members, press, and staff participated in each call, which was the highest attendance for in-person and remote President's Commission hearings. Your leadership and continued commitment is to be applauded, and is greatly appreciated by us all.

Each of you should have received an Outlook invitation to participate in the teleconference panels related to the Crime Reduction panels this Tuesday, Wednesday, and Thursday. Today's panel information is as follows:

**Thursday, April 16th, Hearing 2:00pm to 3:00pm, Eastern Time – Strategies and Practices for Law Enforcement and Technology Use in Crime Reduction**

- Tom Ruocco, Chief of Criminal Law Enforcement, Texas Department of Public Safety
- Chief Bill Partridge, Oxford, AL Police Department
- Christopher Amon, Chief of Firearms Operations Division, Bureau of Alcohol, Tobacco, Firearms and Explosives
- David LeValley, Deputy Chief, Detroit Police Department

Also attached is an updated agenda, witness bios, and testimony that has been received thus far. As available, all hearing summaries, transcripts, and testimony are updated and maintained on the Commission webpage on the Department of Justice website, and can be accessed at <https://www.justice.gov/ag/presidential-commission-law-enforcement-and-administration-justice/hearings>.

We hope you all will be able to make the effort to join these calls, and thanks once again for all your contributions.

Sincerely,

Phil Keith, Chair
