A comment at the Dean Food - DFA
Merger - It should not happen.
DFA is coming into control of
the milk market - what has all
the expansion did for the farmer?
The farmer has got no major return
but more cost. Dean Food should
be restricted and DFA broken
up like Ma Bell become Baby
Bells. The system needs to compete
not be controlled. DFA is the
"milk mob" - there is legislation
in courts at present. No one

Should have more than 49% of
a market - at places they are
the only market. Interesting in the
East less milk but yet one has
dumping - what did they buy
Deans for?
