II. OBJECTIVES

The proposed Final Judgment filed in this case is meant to ensure Defendants’ prompt divestiture of the Divestiture Assets for the purpose of preserving competition in (a) licensing of NBC, CBS, ABC, and FOX television network content to multichannel video program distributors for distribution to their subscribers in the Overlap DMAs, and (b) the sale of broadcast television spot advertising in the Overlap DMAs, in order to remedy the anticompetitive effects that the United States alleges would otherwise result from the acquisition of Quincy by Gray. This Stipulation and Order ensures that, prior to divestiture, the Divestiture Assets remain independent, economically viable, competitive, and saleable; that Defendants will preserve and maintain the Divestiture Assets; and that the level of competition that existed

between Defendants prior to the Transaction is maintained during the pendency of the required divestiture of the Divestiture Assets.

III. JURISDICTION AND VENUE

The Court has jurisdiction over the subject matter of this action and over the parties to it. Venue for this action is proper in the United States District Court for the District of Columbia. Defendants waive service of summons of the Complaint.

IV. CONSUMMATION OF THE TRANSACTION

Defendants will not consummate the Transaction before the Court has signed this Stipulation and Order.

V. COMPLIANCE WITH AND ENTRY OF FINAL JUDGMENT

A. The proposed Final Judgment filed with this Stipulation and Order, or any amended proposed Final Judgment agreed upon in writing by the United States and Defendants, may be filed with and entered by the Court as the Final Judgment, upon the motion of the United States or upon the Court's own motion, after compliance with the requirements of the Antitrust Procedures and Penalties Act ("APPA"), 15 U.S.C. § 16, and without further notice to any party or any other proceeding, as long as the United States has not withdrawn its consent. The United States may withdraw its consent at any time before the entry of the Final Judgment by serving notice on Defendants and by filing that notice with the Court.

B. From the date of the signing of this Stipulation and Order by Defendants until the Final Judgment is entered by the Court, or until expiration of time for all appeals of any ruling declining entry of the proposed Final Judgment, Defendants will comply with all of the terms and provisions of the proposed Final Judgment.

C. From the date on which the Court enters this Stipulation and Order, the United States will have the full rights and enforcement powers set forth in the proposed Final Judgment as if the proposed Final Judgment were in full force and effect as a final order of the Court, and Section XIV of the proposed Final Judgment will also apply to violations of this Stipulation and Order.

D. Defendants agree to arrange, at their expense, publication of the newspaper notice required by the APPA, which will be drafted by the United States in its sole discretion. The publication must be arranged as quickly as possible and, in any event, no later than three (3) business days after Defendants' receipt of (1) the text of the notice from the United States and (2) the identity of the newspaper or newspapers within which the publication must be made. Defendants must promptly send to the United States (1) confirmation that publication of the newspaper notice has been arranged and (2) the certification of the publication prepared by the newspaper or newspapers within which the notice was published.

E. This Stipulation and Order applies with equal force and effect to any amended proposed Final Judgment agreed upon in writing by the United States and Defendants and filed with the Court.

F. Defendants represent that the divestiture ordered by this Stipulation and Order and the proposed Final Judgment can and will be made and that Defendants will not later raise a claim of mistake, hardship, or difficulty of compliance as grounds for asking the Court to modify any of its provisions.

VI. HOLD SEPARATE

From the date of the signing of this Stipulation and Order by Defendants and until the divestiture required by the proposed Final Judgment has been accomplished:

A. Defendants must, to the extent permitted by the terms and conditions of the FCC's Equity/Debt Plus rule (47 C.F.R. § 73.3555, note 2(i)), take all actions necessary to operate, preserve, and maintain the full economic viability, marketability, and competitiveness of each Divestiture Station including by (1) operating each Divestiture Station in the ordinary course of business and consistent with past practices and (2) providing each Divestiture Station with sufficient working capital and lines and sources of credit.

B. Defendants must use all reasonable efforts to maintain and increase the sales and revenues of the services provided by each Divestiture Station and must maintain at 2021 or previously approved levels for 2022, whichever are higher, all promotional, advertising, sales, technical assistance, customer support and service, and marketing for the Divestiture Stations.

C. Defendants must use all reasonable efforts to maintain and preserve existing relationships with customers, suppliers, governmental authorities, vendors, landlords, creditors, agents, and all others having business relationships relating to the Divestiture Stations (excluding any relationship with a supplier that is party to a contract that is an Excluded Asset).

D. Defendants must maintain, in accordance with sound accounting principles, separate, accurate, and complete financial ledgers, books, or other records that report on a periodic basis, such as the last business day of every month, consistent with past practices, the assets, liabilities, expenses, revenues, and income of the Divestiture Stations.

E. Defendants must maintain the working conditions, staffing levels, and work force training and expertise of all Relevant Personnel. Relevant Personnel must not be transferred or reassigned except to Acquirer or via transfer bids initiated by employees pursuant to Defendants' regular, established job posting policy. Defendants must provide the United States with ten (10) calendar days' notice of the transfer of Relevant Personnel, and, upon objection by the United States to such transfer, Relevant Personnel may not be transferred or reassigned. Defendants must use all reasonable efforts, including by providing financial incentives, to encourage Relevant Personnel to continue in the positions held as of the date of the signing of this Stipulation and Order by Defendants, and financial incentives may not be structured so as to disincentivize employees from accepting employment with Acquirer.

F. Defendants must maintain all licenses, permits, approvals, authorizations, and certifications related to or necessary for the operation of the Divestiture Stations and must operate the Divestiture Stations in compliance with all regulatory obligations and requirements.

G. Defendants must take all steps necessary to ensure that the Divestiture Assets are fully maintained in operable condition at no less than their current capacity and level of sales, with the same level of quality, functionality, access, and customer support, and must, consistent with past practices, maintain and adhere to normal repair and maintenance schedules for the Divestiture Assets.

H. Except as approved by the United States in accordance with the terms of the proposed Final Judgment, Defendants must not remove, sell, lease, assign, transfer, pledge, encumber, or otherwise dispose of any of the Divestiture Assets.

I. Defendants must take no action that would jeopardize, delay, or impede the sale of the Divestiture Assets.

J. Management, sales, and operations of the Divestiture Stations must be held entirely separate, distinct, and apart from Defendants' other operations. Defendants must not coordinate the marketing, or terms of sale of broadcast television spot advertising sold by the Divestiture Stations with the production, marketing, or terms of sale of broadcast television spot advertising sold by Defendants.

K. Defendants must appoint, subject to approval of the United States in its sole discretion, a person or persons to oversee the Divestiture Stations. Such person or persons will be responsible for Defendants' compliance with this Section VI, for managing the sales and operations of the Divestiture Stations separately from Defendants' other operations and for ensuring the preservation of the Divestiture Assets for the duration of this Stipulation and Order. In the event any such person is unable to perform his or her duties, Defendants must appoint, subject to the approval of the United States in its sole discretion, a replacement within ten (10) business days. Should Defendants fail to appoint a replacement acceptable to the United States within this time period, the United States will appoint a replacement.

L. Within twenty (20) calendar days after the entry of this Stipulation and Order, Defendants will inform the United States of the steps Defendants have taken to comply with this Stipulation and Order.

VII. DURATION OF OBLIGATIONS

Defendants' obligations under Section VI of this Stipulation and Order will expire upon the completion of the divestiture required by the proposed Final Judgment or until further order

of the Court. In the event that (1) the United States has withdrawn its consent, as provided in Paragraph V(A) of this Stipulation and Order; (2) the United States voluntarily dismisses the Complaint in this matter; or (3) the Court declines to enter the proposed Final Judgment, the time has expired for all appeals of any ruling declining entry of the proposed Final Judgment, and the Court has not otherwise ordered continued compliance with the terms and provisions of the proposed Final Judgment, Defendants are released from all further obligations under this Stipulation and Order, and the making of this Stipulation and Order will be without prejudice to any party in this or any other proceeding.
