FOR THE DISTRICT OF MARYLAND**

UNITED STATES OF AMERICA,

Plaintiff,

v.

CARGILL MEAT SOLUTIONS CORP.,
et al.,

Defendants.

Civil Action No.: 1:22-cv-01821

UNITED STATES' EXPLANATION OF CONSENT DECREE PROCEDURES

The United States submits this memorandum summarizing the procedures of the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16(b)–(h) (the “APPA” or “Tunney Act”), related to the Court’s review of the Stipulation and Order (“Stipulation and Order”) and the proposed Final Judgment in this matter as to Defendants Cargill Meat Solutions Corp., Cargill, Inc., Sanderson Farms, Inc., and Wayne Farms, LLC (collectively, “Settling Defendants”), which were filed at the same time as this Explanation, and are attached to it. The United States and Settling Defendants respectfully ask that the Court sign the attached Stipulation and Order as soon as possible.

1. The United States has filed a proposed Final Judgment and a Stipulation and Order, to which the United States and Settling Defendants have agreed, and the United States will file a Competitive Impact Statement explaining the proposed settlement. The United States and Settling Defendants have also agreed that the Court may enter the proposed Final Judgment after the requirements of the Tunney Act have been satisfied.

2. The Stipulation and Order will ensure that Settling Defendants preserve competition during the Tunney Act proceedings by complying with the provisions of the proposed Final Judgment. *See* 15 U.S.C. § 16(b)-(h).

3. The Court should not sign the proposed Final Judgment until the requirements of the Tunney Act are satisfied. The Tunney Act requires that the United States (a) publish the proposed Final Judgment and the Competitive Impact Statement in the *Federal Register* and (b) cause a summary of the terms of the proposed Final Judgment and the Competitive Impact Statement to be published in one or more newspapers at least 60 days before the Court signs the proposed Final Judgment. 15 U.S.C. § 16(b)-(c). The newspaper notice(s) will inform the public how to submit comments about the proposed Final Judgment to the United States Department of Justice's Antitrust Division. Settling Defendants in this matter have agreed to arrange and pay for the required newspaper notice(s).

4. During the 60-day period following publication in the *Federal Register*, the United States will consider any comments it receives. After the 60-day period has ended, the United States will prepare a response to any comments and will (a) file with the Court the comments and the United States' response and (b) publish the comments and the United States' response in the *Federal Register* unless this Court authorizes an alternative method of public dissemination of the public comments and the response to those comments pursuant to the Tunney Act, 15 U.S.C. § 16(d). After the comments and the United States' response have been filed with the Court and published, the United States may move the Court to enter the proposed Final Judgment unless the United States has withdrawn its consent to entry of the Final Judgment, as permitted by Paragraph II.A of the attached Stipulation and Order.

**UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MARYLAND**

UNITED STATES OF AMERICA,

Plaintiff,

v.

CARGILL MEAT SOLUTIONS
CORPORATION, *et al.*,

Defendants.

Civil Action No.: 1:22-cv-01821

STIPULATION AND ORDER

It is hereby stipulated by and among the undersigned parties, subject to approval and entry of this Order by the Court, as follows.

I. JURISDICTION AND VENUE

The Court has jurisdiction over the subject matter of this action and over the parties to it. Venue for this action is proper in the United States District Court for the District of Maryland. Defendants Cargill Meat Solutions Corp., Cargill, Inc., Sanderson Farms, Inc., and Wayne Farms, LLC (collectively, “Settling Defendants”), waive service of summons of the Complaint.

II. COMPLIANCE WITH AND ENTRY OF FINAL JUDGMENT

A. The proposed Final Judgment filed with this Stipulation and Order, or any amended proposed Final Judgment agreed upon in writing by the United States and Settling Defendants, may be filed with and entered by the Court as the Final Judgment, upon the motion of the United States or upon the Court’s own motion, after compliance with the requirements of the Antitrust Procedures and Penalties Act (“APPA”), 15 U.S.C. § 16, and without further notice to any party or any other proceeding, as long as the United States has not withdrawn its consent.

The United States may withdraw its consent at any time before the entry of the Final Judgment by serving notice on Settling Defendants and by filing that notice with the Court.

B. From the date of the signing of this Stipulation and Order by Settling Defendants until the Final Judgment is entered by the Court, or until expiration of time for all appeals of any ruling declining entry of the proposed Final Judgment, Settling Defendants will comply with all of the terms and provisions of the proposed Final Judgment.

C. From the date on which the Court enters this Stipulation and Order, the United States will have the full rights and enforcement powers set forth in the proposed Final Judgment as if the proposed Final Judgment were in full force and effect as a final order of the Court, and Section XIII of the proposed Final Judgment will also apply to violations of this Stipulation and Order.

D. Settling Defendants agree to arrange, at their expense, publication of the newspaper notice required by the APPA, which will be drafted by the United States in its sole discretion. The publication must be arranged as quickly as possible and, in any event, no later than three business days after Settling Defendants' receipt of (1) the text of the notice from the United States and (2) the identity of the newspaper or newspapers within which the publication must be made. Settling Defendants must promptly send to the United States (1) confirmation that publication of the newspaper notice has been arranged and (2) the certification of the publication prepared by the newspaper or newspapers within which the notice was published.

E. This Stipulation and Order applies with equal force and effect to any amended proposed Final Judgment agreed upon in writing by the United States and Settling Defendants and filed with the Court.

F. Settling Defendants represent that the actions that they are required to perform pursuant to the proposed Final Judgment can and will be performed, and that Settling Defendants will later raise no claim of mistake, hardship or difficulty of compliance as grounds for asking the Court to modify any of the provisions contained therein.

G. This Stipulation and Order, including the proposed Final Judgment or any amended proposed Final Judgment agreed upon in writing by the United States and Settling Defendants, constitutes the final, complete, and exclusive agreement and understanding among the United States and Settling Defendants with respect to the settlement of the above-captioned case, and supersedes all prior agreements and understandings, whether oral or written, concerning the settlement embodied herein.

III. DURATION OF OBLIGATIONS

In the event that (1) the United States has withdrawn its consent, as provided in Paragraph II.A of this Stipulation and Order; (2) the United States voluntarily dismisses the Complaint in this matter; or (3) the Court declines to enter the proposed Final Judgment, the time has expired for all appeals of any ruling declining entry of the proposed Final Judgment, and the Court has not otherwise ordered continued compliance with the terms and provisions of the proposed Final Judgment, Settling Defendants are released from all further obligations under this Stipulation and Order, and the making of this Stipulation and Order will be without prejudice to any party in this or any other proceeding.

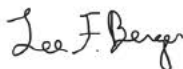

IV. ENGAGEMENT IN POULTRY PROCESSING IN THE UNITED STATES

A. The Settling Defendants represent that they engage in Poultry Processing in the United States.

III. APPLICABILITY

This Final Judgment applies to Settling Defendants and all other persons in active concert or participation with them who receive actual notice of this Final Judgment.

A. Management and Human Resources Staff of each Settling Defendant must not, whether directly or indirectly, including through a Consulting Firm or other person:

1. participate in any meeting or gathering (including in-person, virtual, and telephonic meetings and gatherings) related to Compensation for Poultry Processing Workers, or for any purpose related to Compensation for Poultry Processing Workers, at which any other Poultry Processor not owned or operated by one or a combination of Settling Defendants is present;

2. 3. attempt to enter into, enter into, maintain, or enforce any Agreement with any Poultry Processor not owned or operated by one or a combination of Settling Defendants about Poultry Processing Worker Compensation information, including how to set or decide Compensation or the types of Compensation for Poultry Processing Workers;

4. Communicate Competitively Sensitive Information about Compensation for Poultry Processing Workers to any Poultry Processor not owned or operated by one or a combination of Settling Defendants, including Communicating Competitively Sensitive Information about Compensation for Poultry Processing Workers to any Consulting Firm that produces reports regarding Compensation for Poultry Processing Workers that are shared with other Poultry Processors;

5. use non-public, Competitively Sensitive Information about Compensation for Poultry Processing Workers from or about any Poultry Processor not owned or operated by one or a combination of Settling Defendants; or

6. encourage or facilitate the communication of Competitively Sensitive Information about Compensation for Poultry Processing Workers to or from any Poultry Processor not owned or operated by one or a combination of Settling Defendants.

B. Settling Defendants must not knowingly use from any Poultry Processor not owned or operated by one or a combination of Settling Defendants or any of that Poultry Processor's officers, consultants, attorneys, or other representatives any Competitively Sensitive Information about Compensation for Poultry Processing Workers except as set forth in Section V or in connection with pending or threatened litigation as a party or fact witness, pursuant to court order, subpoena, or similar legal process, or for which any Settling Defendant has received specific prior approval in writing from the Division.

This Section IV does not prohibit the Settling Defendants from:

1. offering Incentive Payments, so long as total Incentive Payments paid for flocks processed at a single complex do not exceed 25% of the sum of total Base Payments and total Incentive Payments paid for flocks processed at that complex on an annual basis;

2. offering payments other than Incentive Payments to Growers for any lawful reason, including offering payments based upon the Grower's investments in improved facilities or technology or payments to subsidize the costs of utilities; or
3. offering contracts with a lower Base Payment if the Grower will be rearing different types of flocks (e.g., based on sex, breed, method of raising, target market weight, etc.) so long as the Base Payment offered is consistent with the base rates offered to other Growers in the complex rearing those types of flocks.

D. The Settling Defendants must not retaliate against any employee or third party, such as a Grower, for disclosing information to the monitor described in Section VI, a government antitrust enforcement agency, or a government legislature.

V. CONDUCT NOT PROHIBITED

A. Nothing in Section IV prohibits a Settling Defendant from Communicating, using, or encouraging or facilitating the Communication of, its Competitively Sensitive Information with an actual or prospective Poultry Processing Worker, or with the Poultry Processing Worker's labor union or other bargaining agent, except that, if a prospective Poultry Processing Worker is employed by another Poultry Processor, Settling Defendants' Communicating, using, or encouraging or facilitating the Communication of, Competitively Sensitive Information is excluded from the prohibitions of Section IV only insofar as is necessary to negotiate the Compensation of a prospective Poultry Processing Worker. Settling Defendants are not prohibited from internally using Competitively Sensitive Information received from a prospective Poultry Processing Worker who is employed by a Poultry Processor in the ordinary course of a legitimate hiring, retention, or off-boarding process, but Settling Defendants are

prohibited from Communicating that Competitively Sensitive Information to another Poultry Processor.

B. Nothing in Section IV prohibits the Settling Defendants from (1) sharing information with or receiving information from a staffing agency or entity that is not owned or controlled by any Poultry Processor, that facilitate employment, if necessary to effectuate an existing or potential staffing Agreement between the staffing agency or entity and the Settling Defendants; and (2) advertising Compensation through public job postings, billboards or help wanted advertisements.

C. Nothing in Section IV prohibits Settling Defendants from, after securing advice of counsel and in consultation with their respective antitrust compliance officer, Communicating, using, encouraging or facilitating the Communication of, or attempting to enter into, entering into, maintaining, or enforcing any Agreement to Communicate Competitively Sensitive Information relating to Compensation for Poultry Processing Workers with any Poultry Processor when such Communication or use is for the purpose of evaluating or effectuating a bona fide acquisition, disposition, or exchange of assets:

1. For all Agreements under Paragraph V(C) with any other Poultry Processor to Communicate Competitively Sensitive Information relating to Poultry Processing Workers that a Settling Defendant enters into, renews, or affirmatively extends after the date of entry of this Final Judgment, the Settling Defendant must maintain documents sufficient to show:
 - i. the specific transaction or proposed transaction to which the sharing of Competitively Sensitive Information relating to Compensation for Poultry Processing Workers relates;

- ii. the employees, identified with reasonable specificity, who are involved in the sharing of Competitively Sensitive Information relating to Compensation for Poultry Processing Workers;
 - iii. with specificity the Competitively Sensitive Information relating to Compensation for Poultry Processing Workers Communicated; and
 - iv. the termination date or event of the sharing of Competitively Sensitive Information relating to Compensation for Poultry Processing Workers.
2. For Communications under Paragraph V(C), Settling Defendants must maintain copies of all materials required under Paragraph V(C)(1) for the duration of the Final Judgment, following entry into any Agreement to Communicate or receive Competitively Sensitive Information, and must make such documents available to the United States and the monitor appointed under Section VI upon request.

D. Nothing in Section IV prohibits Settling Defendants, after securing the advice of counsel and in consultation with the antitrust compliance officer, from engaging in conduct in accordance with the doctrine established in *Eastern Railroad Presidents Conference v. Noerr Motor Freight, Inc.*, 365 U.S. 127 (1961), *United Mine Workers v. Pennington*, 381 U.S. 657 (1965), and their progeny.

E. Nothing in Paragraph IV(A)(1) prohibits Settling Defendants from participating in meetings and gatherings in which they receive (but do not provide) information relating to Compensation that is not based upon information received from or about one or more Poultry Processors.

VI. MONITOR

A. Upon application of the United States, which Settling Defendants may not oppose, the Court will appoint a monitor selected by the United States and approved by the Court. Within 30 calendar days after entry of the Stipulation and Order in this case, the Settling Defendants may together propose to the United States a pool of three candidates to serve as the monitor, and the United States may consider the Settling Defendants' perspectives on the Settling Defendants' three proposed candidates or any other candidates identified by the United States. The United States retains the right, in its sole discretion, either to select the monitor from among the three candidates proposed by the Settling Defendants or to select a different candidate for the monitor.

B. The monitor will have the power and authority to monitor: (1) Settling Defendants' compliance with the terms of this Final Judgment entered by the Court, including compliance with Paragraph IV(C), and (2) Settling Defendants' compliance, regarding events occurring after entry of the Stipulation and Order in this case (even if such events began before that date), with the U.S. federal antitrust laws relating to Poultry Processing, Poultry Processing Workers, Growers, integrated Poultry feed, hatcheries, the transportation of Poultry and Poultry products, and the sale of Poultry and Poultry Processing products. The monitor may also have other powers as the Court deems appropriate. The monitor's power and authority will not extend to monitoring the processing of meat or material other than Poultry, even if such processing of meat or material other than Poultry takes place in a facility or location that also engages in Poultry Processing. The monitor's power and authority will not extend to monitoring Cargill, Inc., employees who have not engaged in work related to Poultry Processing, Poultry Processing Workers, Growers, integrated Poultry feed, hatcheries, the transportation of Poultry and Poultry

products, or the sale of Poultry or Poultry Processing products. The monitor will have no right, responsibility or obligation for the operation of Settling Defendants' businesses. No attorney-client relationship will be formed between the Settling Defendants and the monitor.

C. The monitor will serve at the cost and expense of Settling Defendants pursuant to a written Agreement, on terms and conditions, including confidentiality requirements and conflict of interest certifications, approved by the United States in its sole discretion.

D. The monitor may hire, at the cost and expense of Settling Defendants, any agents and consultants, including attorneys and accountants, that are reasonably necessary in the monitor's judgment to assist with the monitor's duties. These agents or consultants will be solely accountable to the monitor and will serve on terms and conditions, including confidentiality requirements and conflict-of-interest certifications, approved by the United States in its sole discretion.

E. The compensation of the monitor and agents or consultants retained by the monitor must be on reasonable and customary terms commensurate with the individuals' experience and responsibilities. If the monitor and Settling Defendants are unable to reach agreement on the monitor's compensation or other terms and conditions of engagement within 14 calendar days of the appointment of the monitor, the United States, in its sole discretion, may take appropriate action, including by making a recommendation to the Court. Within three business days of hiring any agents or consultants, the monitor must provide written notice of the hiring and the rate of compensation to Settling Defendants and the United States.

F. The monitor must account for all costs and expenses incurred.

G. The monitor will have the authority to take such reasonable steps as, in the United States' view, may be necessary to accomplish the monitor's duties. The monitor may seek

information from Settling Defendants' personnel, including in-house counsel, compliance personnel, and internal auditors. If the monitor has confidence in the quality of the resources, the monitor may consider the products of Settling Defendants' processes, such as the results of studies, reviews, sampling and testing methodologies, audits, and analyses conducted by or on behalf of any Settling Defendant, as well as any of Settling Defendants' internal resources (e.g., legal, compliance, and internal audit), which may assist the monitor in carrying out the monitor's duties). The Settling Defendants will establish a policy, annually communicated to all employees, that employees may disclose any information to the monitor, without reprisal for such disclosure.

H. Settling Defendants must use best efforts to cooperate fully with the monitor. Subject to reasonable protection for trade secrets and confidential research, development, or commercial information, or any applicable privileges or laws, Settling Defendants must (1) provide the monitor and agents or consultants retained by the monitor with full and complete access to all personnel, books, records, and facilities, and (2) use reasonable efforts to provide the monitor with access to Settling Defendants' former employees, Growers, third-party vendors, agents, and consultants. Settling Defendants may not take any action to interfere with or to impede accomplishment of the monitor's responsibilities.

I. If Settling Defendants seek to withhold from the monitor access to anything or anyone on the basis of attorney-client privilege or the attorney work-product doctrine, or because Settling Defendants reasonably believe providing the monitor with access would be inconsistent with applicable law, the Settling Defendants must work cooperatively with the monitor to resolve the issue to the satisfaction of the monitor. If Settling Defendants and the monitor do not reach a resolution of the issue to the satisfaction of the monitor within 21 calendar days, Settling

Defendants must immediately provide written notice to the United States and the monitor. The written notice must include a description of what is being withheld and the Settling Defendants' legal basis for withholding access.

J. Except as specifically provided by Paragraph VI(I), Settling Defendants may not object to requests made or actions taken by the monitor in fulfillment of the monitor's responsibilities under this Final Judgment or any other Order of the Court on any ground other than malfeasance by the monitor; *provided, however*, that if Settling Defendants believe in good faith that a request or action by the monitor pursuant to the monitor's authority under Paragraph VI(B)(2) exceeds the scope of the monitor's authority or is unduly burdensome, the Settling Defendants may object to the United States. Objections by Settling Defendants under this Paragraph VI(J) regarding a request or action exceeding the monitor's scope must be conveyed in writing to the United States and the monitor within 10 calendar days of the monitor's request or action that gives rise to Settling Defendants' objection. Objections by Settling Defendants under this Paragraph VI(J) regarding a request or action being unduly burdensome must be made, with specificity, to the monitor within seven calendar days of the request or action; if the Settling Defendants and the monitor cannot resolve the objections regarding a request or action being unduly burdensome, within 21 days of the request or action the Settling Defendants must convey their objections in writing to the United States. All objections will be resolved by the United States, in its sole discretion.

K. The monitor must investigate and report on Settling Defendants' compliance with this Final Judgment, including those provisions governing Settling Defendants' communications with Poultry Processors and third parties related to Poultry Processing Worker Compensation information, and Settling Defendants' compliance, regarding events occurring after entry of the

Stipulation and Order in this case (even if such events began before that date), with the U.S. federal antitrust laws relating to Poultry Processing, Poultry Processing Workers, Growers, integrated Poultry feed, hatcheries, the transportation of Poultry and Poultry products, and the sale of Poultry and Poultry Processing products.

L. The monitor must provide periodic written reports to the United States and the Settling Defendants setting forth Settling Defendants' efforts to comply with their obligations under this Final Judgment and the U.S. federal antitrust laws relating to Poultry Processing, Poultry Processing Workers, Growers, integrated Poultry feed, hatcheries, the transportation of Poultry and Poultry products, and the sale of Poultry and Poultry Processing products. The monitor must provide written reports every six months for the first two years of the term of the monitor's appointment after which the monitor must provide written reports on an annual basis. The monitor must provide the first written report within six months of the monitor's appointment by the Court. The United States, in its sole discretion, may change the frequency of the monitor's written reports at any time, communicate or meet with the monitor at any time, and make any other requests of the monitor as the United States deems appropriate.

M. Within 30 days after appointment of the monitor by the Court, and on a yearly basis thereafter, the monitor must provide to the United States and Settling Defendants a written work plan for the monitor's proposed review. Settling Defendants may provide comments on a written work plan to the United States and the monitor within 14 calendar days after receipt of the written work plan. The United States retains the right, in its sole discretion, to request changes or additions to a work plan at any time. Any disputes between Settling Defendants and the monitor with respect to any written work plan will be decided by the United States in its sole discretion.

N. The monitor will serve for the full term of this Final Judgment, unless the United States, in its sole discretion, determines a different period is appropriate. After five years from the date this Final Judgment was entered, the United States, in its sole discretion, will determine whether continuation of the monitor's full term is appropriate, or whether to suspend the remainder of the term.

O. If the United States determines that the monitor is not acting diligently or in a reasonably cost-effective manner or if the monitor becomes unable to continue in their role for any reason, the United States may recommend that the Court appoint a substitute.

VII. REQUIRED CONDUCT

Within 10 days of entry of this Final Judgment, each Settling Defendant must appoint an antitrust compliance officer who is an internal employee or officer of each of the Settling Defendants and identify to the United States the antitrust compliance officer's name, business address, telephone number, and email address. F. Within 80 business days after entry of this Final Judgment, the Settling Defendants must each furnish to the United States an affidavit affirming that it has offered the contractual modifications required by Paragraph IV(C) to each Grower supplying broiler chickens to it for processing.

G. The term "potential violation" as used in this Section VII does not include the discussion with counsel, the antitrust compliance officer, or anyone working at counsel's or the antitrust compliance officer's direction, regarding future conduct.

H. Within 75 business days after entry of this Final Judgment, Sanderson and Wayne must comply with the Disclosure Requirements, which are made part of this Final Judgment, and hereby incorporated into this Final Judgment by reference. The preceding sentence does not apply if during the term of this Final Judgment, the USDA promulgates final regulations imposing different disclosure requirements relating to payments to Growers, including a final version of the regulations discussed in the "Transparency in Poultry Grower Contracting and Tournaments," a proposed rule by the Agricultural Marketing Service, June 8, 2022, 87 FR 34980, available at <https://www.federalregister.gov/documents/2022/06/08/2022->

[11997/transparency-in-poultry-grower-contracting-and-tournaments](#), as long as the final version of such regulation or any amended version thereof remains in effect, in which case Settling Defendants must comply with the final or amended regulations. If at any point there is no longer a final or amended version in effect, Sanderson and Wayne must again comply with the Disclosure Requirements.

VIII. REQUIRED COOPERATION

A. Settling Defendants must cooperate fully and truthfully with the United States in any investigation or litigation relating to the sharing of Poultry Processing Worker Compensation information among Poultry Processors, in violation of Section 1 of the Sherman Act, as amended, 15 U.S.C. § 1. Settling Defendants must use their best efforts to ensure that all current officers, directors, employees, and agents also fully and promptly cooperate with the United States and use reasonable efforts to ensure that all former officers, directors, employees, and agents also fully and promptly cooperate with the United States. The full, truthful, and continuing cooperation of Settling Defendants must include:

1. as requested on reasonable notice by the United States, being available for interviews, depositions, and providing sworn testimony to the United States orally and in writing as the United States so chooses;
2. producing, upon request of the United States, all documents, data, information, and other materials, wherever located, not protected under the attorney-client privilege or attorney work product doctrine, in the possession, custody, or control of that Settling Defendant, and a privilege log of any materials the Settling Defendant claims are protected under the attorney-client privilege or the attorney work-product doctrine; and

3. testifying at trial and other judicial proceedings fully, truthfully, and under oath, when called upon to do so by the United States.

B. The obligations of Settling Defendants to cooperate fully and truthfully with the United States as required in this Section VIII will cease upon the conclusion of all investigations and litigation related to the sharing of Poultry Processing Worker Compensation information in violation of Section 1 of the Sherman Act, including exhaustion of all appeals or expiration of time for all appeals of any Court ruling in this matter, or the expiration of the Final Judgment, whichever is later.

C. Settling Defendants must take all necessary steps to preserve all documents and information relevant to the United States' investigations and litigation alleging that Settling Defendants and other Poultry Processors shared Poultry Processing Worker Compensation information in violation of Section 1 of the Sherman Act until the United States provides written notice to the Settling Defendants that their obligations under this Section VIII have expired.

D. Subject to the full, truthful, and continuing cooperation of each Settling Defendant, as required under this Section VIII, Settling Defendants are fully and finally discharged and released from any civil or criminal claim by the United States arising from the sharing of Poultry Processing Worker Compensation information among Poultry Processors prior to the date of filing of the Complaint in this action; *provided, however*, that this discharge and release does not include any criminal claim arising from any subsequently-discovered evidence of an Agreement to fix prices or wages or to divide or allocate markets, including to allocate Poultry Processing Workers.

E. Paragraph VIII(D) does not apply to any acts of perjury or subornation of perjury (18 U.S.C. §§ 1621-22), making a false statement or declaration (18 U.S.C. §§ 1001, 1623),

contempt (18 U.S.C. §§ 401-402), or obstruction of justice (18 U.S.C. § 1503, et seq.) by any Settling Defendant.

IX. COMPLIANCE INSPECTION

A. For the purposes of determining or securing compliance with this Final Judgment or of determining whether this Final Judgment should be modified or vacated, upon written request of an authorized representative of the Assistant Attorney General for the Antitrust Division, and reasonable notice to Settling Defendants, Settling Defendants must permit, from time to time and subject to legally recognized privileges, authorized representatives, including agents retained by the United States:

1. to have access during Settling Defendants' office hours to inspect and copy, or at the option of the United States, to require Settling Defendants to provide electronic copies of all books, ledgers, accounts, records, data, and documents in the possession, custody, or control of Settling Defendants relating to any matters contained in this Final Judgment; and

2. to interview, either informally or on the record, Settling Defendants' officers, employees, or agents, who may have their individual counsel present, relating to any matters contained in this Final Judgment. The interviews must be subject to the reasonable convenience of the interviewee and without restraint or interference by Settling Defendants.

B. Upon the written request of an authorized representative of the Assistant Attorney General for the Antitrust Division, Settling Defendants must submit written reports or respond to written interrogatories, under oath if requested, relating to any matters contained in this Final Judgment.

X. RESTITUTION

A. Within 60 days of entry of this Final Judgment, each Settling Defendant must place funds equal to 10% of its own Restitution Amount into an escrow account selected by the United States, in its sole discretion. Each Settling Defendant must have its own escrow account.

B. If the *Jien* Court grants a motion for final approval of a settlement and certification of a settlement class with respect to a Settling Defendant's settlement with the *Jien* plaintiffs, the entire balance of that Settling Defendant's escrow account, including any accrued interest and less any administrative costs, must be returned to that Settling Defendant.

C. If any Settling Defendant has not entered into a settlement agreement with the plaintiffs in *Jien* before entry of this Final Judgment, or if preliminary or final approval of a settlement is denied, or if certification of a settlement class is denied, or if a settlement is terminated or rescinded for any reason, any affected Settling Defendant, within 21 days after (1) entry of this Final Judgment in the case of a Settling Defendant who has not reached a settlement agreement with the plaintiffs in *Jien*, or (2) any order denying settlement approval or certification of the settlement class or any termination or rescinding of a settlement, must deposit into its escrow account an amount equal to its Restitution Amount. This amount must be in addition to the initial 10% payment made pursuant to Paragraph X(A) and any accrued interest already present in the Settling Defendant's escrow account. Upon full funding of the escrow account, the entire balance of the escrow account, including any accrued interest, must be released to the United States for distribution to affected Poultry Processing Workers in the form of restitution and payment for expenses related to distribution. In the event that preliminary or final approval of a settlement or class certification is denied, or the settlement agreement is rescinded or terminated, for reasons that the United States in its sole discretion believes to be

curable, the United States, in its sole discretion, may agree to one or more extensions of the 21-day period in this Paragraph X(C).

D. The claims and disbursement process will be established in the sole discretion of the United States. Settling Defendants must reimburse the United States for any costs associated with claims administration or remittance of restitution, including fees payable to a third-party claims administrator hired at the United States' sole discretion, that extend beyond the sum of the initial 10% payments made by each Settling Defendant under Paragraph X(A). Contributions beyond the initial 10% payments will be made on a pro rata basis based on each Settling Defendant's Restitution Amount.

E. Upon completion of the restitution payments, the United States must return any funds remaining in the escrow account to the Settling Defendants, on a pro rata basis based on each Settling Defendant's Restitution Amount.

XI. PUBLIC DISCLOSURE

A. No information or documents obtained pursuant to any provision in this Final Judgment, including reports the monitor provides to the United States pursuant to Paragraphs VI(K) and VI(L), may be divulged by the United States or the monitor to any person other than an authorized representative of the executive branch of the United States, except in the course of legal proceedings to which the United States is a party, including grand-jury proceedings, for the purpose of securing compliance with this Final Judgment, or as otherwise required by law. In the event that the monitor should receive a subpoena, court order or other court process seeking production of information or documents obtained pursuant to any provision in this Final Judgment, including reports the monitor provides to the United States pursuant to Paragraphs VI(K) and VI(L), the applicable disclosing party shall notify Settling Defendants immediately

and prior to any disclosure, so that Settling Defendants may address such potential disclosure and, if necessary, pursue alternative legal remedies, including if deemed appropriate by Settling Defendants, intervention in the relevant proceedings.

B. In the event of a request by a third party, pursuant to the Freedom of Information Act, 5 U.S.C. § 552, for disclosure of information obtained pursuant to any provision of this Final Judgment, the Antitrust Division will act in accordance with that statute, and the Department of Justice regulations at 28 C.F.R. part 16, including the provision on confidential commercial information, at 28 C.F.R. § 16.7. Settling Defendants submitting information to the Antitrust Division should designate the confidential commercial information portions of all applicable documents and information under 28 C.F.R. § 16.7. Designations of confidentiality expire 10 years after submission, “unless the submitter requests and provides justification for a longer designation period.” *See* 28 C.F.R. § 16.7(b).

C. If at the time that Settling Defendants furnish information or documents to the United States pursuant to any provision of this Final Judgment, Settling Defendants represent and identify in writing information or documents for which a claim of protection may be asserted under Rule 26(c)(1)(G) of the Federal Rules of Civil Procedure, and Settling Defendants mark each pertinent page of such material, “Subject to claim of protection under Rule 26(c)(1)(G) of the Federal Rules of Civil Procedure,” the United States must give Settling Defendants 10 calendar days’ notice before divulging the material in any legal proceeding (other than a grand jury proceeding).

XII. RETENTION OF JURISDICTION

The Court retains jurisdiction to enable any party to this Final Judgment to apply to the Court at any time for further orders and directions as may be necessary or appropriate to carry

out or construe this Final Judgment, to modify any of its provisions, to enforce compliance, and to punish violations of its provisions.

XIII. ENFORCEMENT OF FINAL JUDGMENT

A. The United States retains and reserves all rights to enforce the provisions of this Final Judgment, including the right to seek an order of contempt from the Court. Settling Defendants agree that in a civil contempt action, a motion to show cause, or a similar action brought by the United States relating to an alleged violation of this Final Judgment, the United States may establish a violation of this Final Judgment and the appropriateness of a remedy therefor by a preponderance of the evidence, and Settling Defendants waive any argument that a different standard of proof should apply.

B. This Final Judgment should be interpreted to give full effect to the procompetitive purposes of the antitrust laws and to restore the competition the United States alleges was harmed by the challenged conduct. Settling Defendants agree that they may be held in contempt of, and that the Court may enforce, any provision of this Final Judgment that, as interpreted by the Court in light of these procompetitive principles and applying ordinary tools of interpretation, is stated specifically and in reasonable detail, whether or not it is clear and unambiguous on its face. In any such interpretation, the terms of this Final Judgment should not be construed against either party as the drafter.

C. In an enforcement proceeding in which the Court finds that any Settling Defendant has violated this Final Judgment, the United States may apply to the Court for an extension of this Final Judgment, together with other relief that may be appropriate. In connection with a successful effort by the United States to enforce this Final Judgment against a Settling Defendant, whether litigated or resolved before litigation, that Settling Defendant agrees

to reimburse the United States for the fees and expenses of its attorneys, as well as all other costs including experts' fees, incurred in connection with that effort to enforce this Final Judgment, including in the investigation of the potential violation.

D. For a period of four years following the expiration of this Final Judgment, if the United States has evidence that a Settling Defendant violated this Final Judgment before it expired, the United States may file an action against that Settling Defendant in this Court requesting that the Court order: (1) Settling Defendant to comply with the terms of this Final Judgment for an additional term of at least four years following the filing of the enforcement action; (2) all appropriate contempt remedies; (3) additional relief needed to ensure the Settling Defendant complies with the terms of this Final Judgment; and (4) fees or expenses as called for by this Section XIII.

XIV. EXPIRATION OF FINAL JUDGMENT

Unless the Court grants an extension, this Final Judgment will expire 10 years from the date of its entry, except that after five years from the date of its entry, this Final Judgment may be terminated upon notice by the United States to the Court and Settling Defendants that continuation of this Final Judgment is no longer necessary or in the public interest. *Provided, however,* that the obligations under Section X will continue as long as one or more of the escrow accounts created under Section X remain open.

XV. RESERVATION OF RIGHTS

The Final Judgment terminates only the claims expressly stated in the Complaint. The Final Judgment does not in any way affect any other charges or claims filed by the United States subsequent to the commencement of this action, including any charges or claims relating to

Growers, integrated Poultry feed, hatcheries, Poultry products, the transportation of Poultry and Poultry products, and the sale of Poultry and Poultry products.

XVI. NOTICE

For purposes of this Final Judgment, any notice or other communication required to be filed with or provided to the United States must be sent to the address set forth below (or such other address as the United States may specify in writing to any Settling Defendant):
